

Christmas Time At The Jesus Loves Me Home

Fall is here! Football is underway, leaves are falling, caramel apples have appeared in the stores, the weather is cooling down, and Christmas decorations have started appearing every where you look! That means we are preparing for our Christmas trip to Haiti.

Every year we plan a trip to take Christmas to the children that live at the Jesus Loves Me Home in Gonaives, Haiti. We do this because they do not have anyone else and they do not have anything. They do not receive what our children may receive but they are so thankful for the things that they need so very, very much. We buy new pots and pans, kitchen utensils, eating utensils, blankets and sheets, clothing, ice cream & candy for a party, and a large Christmas dinner! We do try to provide items for the children's play time too.

Every year we ask your help on this. If you could please send us a small Christmas money donation for this project, you will help tremendously! Every cent counts. This is the one time of year that the children receive something special. We pray that you will consider this and donate towards this. The children are so very happy! If you are willing to help, please please mark your checks or send a note saying that it is for the JLMH Christmas.

In years past we were allowed to take items with us! This is no longer the case. We have to take money & buy everything in Haiti!

We will be leaving for Haiti on November 28. We will hand carry this money down at that time. Please be in prayer for this trip. Not only will we have a Christmas party for the children, but we will also be working at the property and holding revival meetings.

Immersion in 2009

6,370 have been immersed into Christ during 2009. White Fields world wide ministries now assists 310 native evangelists in 33 different nations. These evangelists, along with our American and Australian team members, report 6,370 souls immersed into Christ for the remission of sins in January thru October. It is a great victory and we give all praise to God. Thank God for His victory and for the souls won to Christ through the power of His gospel.

A team of White Fields Evangelists are currently preaching and teaching in **Liberia, Africa**. The team is conducting "open air crusades" in the capital city of Monrovia and are also working with the Anna Enoch Orphanage. Pray for souls to be won and pray for their safety overseas.

Evangelist Reggie Thomas and song evangelist Lydia Abbott are presently working in a revival meeting with the newly established Christian Church in **Santo Domingo, Dominican Republic**. Pray for these meetings and for souls to be won to Christ overseas.

Lori and Lacey will be traveling to **Haiti** just after Thanksgiving. A wonderful team of 19 workers will be plastering the Jesus Loves Me Home inside and outside. Pray for the group's safety and success in helping the orphans overseas.

New Cuban Bible Institute ~ Blythe Robinson

I have just completed a very significant trip to Cuba and I want to bring everyone up to date on some important events.

By the grace of God I was able to get two projectors and two sets of the Visualized Bible Study series into Cuba even after they were seized by Customs for several days. However I was able to get a couple of ink cartridges through for Rolando without any problems. I have attached a photo of me presenting Rolando with 100 Spanish certificates for courses completed.

I preached three services on the Lord's Day.

After meeting with Rolando and Manolo for a few days, I met with 25 students of the Bible Institute (see attached photo).

The structure of the Institute was discussed and reviewed at length. All agreed to the following structure:

1. There would be two Cuban national co-coordinators.
2. There would be various regional co-coordinators working with the national co-coordinators.
3. There would be area co-coordinators who would distribute the lessons for study. The student would sign confirmation of such. When the student was ready he would request the test, complete it and return it to the area coordinator. He in turn would pass it on for grading by the regional coordinator. The graded test would be returned to the student and the test results would be recorded by the regional and the national co-coordinator for record keeping.

Rolando suggested that there be four certificates given that correspond with the Cuban educational system. This is basically a one year certificate for each of the four required years with the fourth year being a graduation certificate.

He and Manolo proposed that a "Certificate of Minister" be given to any Minister who has ministered faithfully for three years and attended faithfully all of the seminars presented during that time. It was agreed that Manolo make the final decision as to who qualified and that White Fields would issue the certificate. Reggie would either sign or print his name as the founder of White Fields and Manolo would do likewise as our Cuban representative. All certificates of any kind were to be given in the Spanish language. These decisions reflect a mutual understanding of Rolando, Manolo, and me after extensive discussions with a member of the Communist Party (name withheld for obvious reasons).

When I left I presented Rolando with digital records of all 500 questions of the five booklets in Spanish along with the corresponding ANSWER BY NUMBER sheets and a separate ANSWER CODE sheets. I gave him permission to make whatever translation changes that he deemed necessary and to distribute the materials at his discretion.

I have left the Bible Institute in his hands with enough lessons to keep things going for a number of months. I believe that by God's grace and providence I have been able to lay the foundation on which others may build.

I wish you all well and pray that God's providence will continue to guide you.

Simply a servant, Blythe

Reports From Rick In The Ukraine

Rick's schedule gave him most of a day's layover in Vienna, Austria, and he had the opportunity to visit TCM ("Taking Christ to the Millions" ministry) in nearby Heiligenkreuz. He was very impressed! We had been to their Haus Edelweiss in the 1970's, when it was first purchased and needed lots of renovation. Rick says it is beautiful now!

September 28: From TCI in Georgia, he wrote, "I have finished teaching my first day for the seminar, and I'm really enjoying the open attitude of the students and the leaders here...For the church service on Sunday afternoon, I came prepared to share a testimony or to preach. I'm glad I was prepared, because their pastor didn't show up until very late. He preaches for two congregations and got caught in a big traffic jam on his way. Sergei, who was translating for me on Saturday, came to the service in case I needed him to translate into Russian, but it wasn't needed. Another man translated into Georgian. Sergei told me he wasn't sure why he was there, except to hear that message and that he liked it very much. 'Why I Believe in God' was the message."

October 4: "God has wonderfully answered prayer concerning my trip to Kherson from Georgia and Blythe's trip so that we were able to meet in Odessa. Oksana met us because John was not available, but he sent money with her to pay for our taxi and our bus trip to Kherson. We were able to get a bus leaving at 6:00 and arriving at 9:00 p.m., which was very good timing, especially because Blythe was exhausted..

"We had exceptionally good response to my message 'GENESIS--MYTHS OR MIRACLES' this a.m. after the first service. One man told me it impacted him powerfully, and that it was amazing and very needed. I told him that his comment made my whole trip worthwhile. I also told Levan that in Georgia, after he told me something similar about my classes there."

October 6: "The weather is beautiful again, and the students are open and teachable. Once again, they are some of the best students I have ever had. We learn a lot and laugh a lot together. I love to teach! One of my students has a prison ministry to juvenile offenders, so I told him about Nikolai Alyoshin's prison ministry."

Prayer Requests

- 1.. John and Jennifer Brown are scheduled to leave for Ukraine October 13th to get the two girls they are adopting. Please pray for a safe trip, for quick processing of the adoptions, safe return to the U. S., and that the girls will be able to adapt well to living in a different culture.
- 2.. Please pray for healing for Levan, one of the students from Georgia, who has a tumor in his brain that is growing.
- 3.. Pray for Iracle, who is separated from his wife over his faith and is praying for reconciliation.
- 4.. Sergei Golovin sent this urgent prayer request on 9-22-09: "The Office of Public Prosecutor of Uzbekistan initiated a law suit against the Baptist Union of Uzbekistan (the only effective legal umbrella for all Evangelical Christians of the country) because of the Children's camp they made. The charges for not paying taxes and forcing children into religious activity against their will are made against the president of the Union, Pavel Peychev, the bookkeeper, Elena Kurbatova, and the camp director, Dmitry Peteremov. The court hearing is scheduled for September 24.

Please pray for our brothers and the sister and for all Christians in Uzbekistan

SETH EFFA ~ GHANA< AFRICA

Greetings to you for your love that you have bestowed on us for many years ago .Another thing more important than life is love .Sometimes love may demand the surrender of ones life. Greater love has no one than this that one lay down his life for his friends ,John 15-13,read also Romans 5:6-8.

I was sick and ready to die but because I have not finished the work, God visited me through your daily prayers. It took me 2weeks before I became totally healed. What happened to me was the fourth time .Thanks to God, thanks to You. God bless you always.

PROBLEM HAS ARISEN

Churches who are meeting in school classrooms are now facing big problems. The districts Assemblies are requesting money from churches who worship in classrooms before they will allow them to meet again to do their worship. Three times this government has done to Christians in our country. Some churches have died and still some are going to die because the king of this world has become angry, he knows his time is near.

Please pray for the chosen people God has selected before this world was formed. The are fine in the Lord .God still has those who are faithful unto Him. In Christ, Seth Effa
