## A Modern Macedonian Call

"Come to Macedonia and help us...immediately we sought to go to Macedonia, concluding that the Lord had called us to preach the gospel to them." Acts 16:9, 10

"Let me tell you one thing, you will see the great move in churches of Christ in Asia which you have never seen before!" ~A modern Macedonian in India

Evangelist Doug Willis, White Fields Coordinator of World Outreach, invites you to consider an amazing, God-given opportunity to go where no one has gone before for Christ!

We need you to help us preach the gospel in villages and towns in India!"

## Back From Mauritius!! JD Miller

Dear White Fields family,

I am in the JFK airport in New York City as I write to you.

**Boyce Mouton**, minister at the Carl Junction Church of Christ and I have been back in the states just an hour, but I couldn't wait to share with you some of the exciting details of our trip to Johannesburg,

South Africa and the tropical Island of Mauritius just west of South Africa and Madagascar.

As most of you know, our Board of Directors earlier this year established at least 64 nations that currently do not have a New Testament Christian Church in their borders, and determined a plan to reach each and all of them in the next ten years. The island of Mauritius is on that list! While Brother Reggie and I were spending time in the White Fields Exhibit at the North American Christian Convention in Louisville, I received an email from a good friend and fellow musician

**Jonathan Miller**, now a resident and business owner on the island was raised in a Jewish family. He has been a Christian, or as he calls himself, a "Completed Jew" for seven years. He recently moved to Mauritius to establish a music store. He quickly discovered that he and his family were unable to find a church of simply Christians like those established in the New Testament. His email was a plea for help in his desire to institute a church that was not bound to denominational doctrine or government. He had discovered at least five more families that were interested in being part of this new congregation. Jonathan had toured with the Americana Music Group in China in 2005, and also knew that I was now serving with White Fields. Since these families had just begun to meet together and were seeking help in planting a firm foundation, Reggie suggested that make immediate plans to go to Mauritius and discover how we could best serve this new church.

I asked Brother Boyce Mouton to go with me, due to my deep respect for his spiritual insight on the Guidance of God, as well as his vast experience as a missionary, preacher and Christian author. In spite of the very short notice, Boyce responded to the call and made arrangements to accompany me to Mauritius. When he discovered our flight plan included a stop over in Johannesburg, South Africa, he called long term missionary **Alice Fishback** to request the opportunity to visit their mission and even spend the night at their facilities. They agreed to accommodate us and so we were picked up at the Johannesburg airport by **Phoebe Reese**, another resident missionary now serving in South Africa. These sweet ladies have been on the mission field for over 40 years. We were able to get a full report on the amazing work that that have been instrumental in supporting with their lives for so many years. I will share more on the many needs we

## News From Around The World

**43 SOULS BAPTIZED IN HAITI**-----Dear brother Reggie, Greetings in Christ. We have been to Port de Paix. Preaching a revival meeting. 43 souls have come to Christ and obeyed Him in baptism. We bless the name of God. Your brother in Christ Jean Raymond Dezulme.

**117 SOULS BAPTIZED IN GONAIVES, HAITI**---- DEAR father we have many souls come to Christ. We spend much money for that crusade in the big place of Gonaives. We have to pay for the sound equipment and we also pay for authorization from the police department to meet in that place. There are many area in Gonaives where they need to hear the good news. We rejoice that 117 accepted Christ and were baptized. I hope that when the team come we will have many souls for Christ. Moise

**GOOD NEWS FROM CUBA**-- My precious friend, We had a fast as I had told you this Tuesday and we finish it on Wednesday. In the night we have a prayer vigil, the first hour do the propitiation prayer, then Rolando reads some verses that he has prepared, then with relationship to the vigil we put a Christian movie of biblical histories. As you know we have some siblings with problem who cant read, others that don't KNOW HOW to READ. Others have certain mental problems and this movie is a form that is easy and interesting that they can learn these Biblical histories. Then again we pray until finishing the time of vigil. The congregation of Sevillano visited us two Sundays ago and we had a very very pretty Sunday service. Luis preached, and by the way, I like how he preaches. Yesterday Armando, the Cienfuegos preacher, also visited us, and he says that the church over there has grown a lot and that they have also had many baptisms. He is very happy. I love you a lot and we always have you in our prayers. To pray for you fills me with joy. God bless you all. In Christian love your daughter in the faith Isis

**FROM ELENA IN BULGARIA:** Hi Dear Daddy, I received the money and cannot say how happy I am. We are doing fine. I have a blessing time with few girls asking me for Jesus. I'm worry again for Snezana. We still meet and study the Bible. She needs a professional psychiatrist doctor, but we don't have one here. She is so stressed that she is losing control. When I get my computer repaired I will send a photo from my new apartment and the things which we buy. I'm so happy also for the children that they are happy and enjoying the apartment. Thank you for your care and faith. I love you daddy. Elena

**37 BAPTISMS IN SIERRA LEONE:** I give God the glory who answered your prayers to enable me to safely travel to Sierra Leone and Northern Liberia to fellowship with the churches of Christ in that remote area from September 10 to the 19th 2009. The New Testament church in Sierra Leone is growing---37 more lost souls had been baptized into Christ this year. The only sad news is the Anglican priest, who up to present has 2 wives, feels that the Church of Christ is a threat to their Denomination because of the sound doctrine the church of Christ preaches and practice. Last year brother Walter Brewer advised the priest to stop such practice but he never yielded to it. However 3 brothers in the church in Sierra Leone are doing extremely well by shepherding the flock Thanks to brother Roger Dickson of "Afroca International Mission" in South Africa and brother Guy E. Humphreys of "Christ Evangelical Foundation", and brother Barry Kermeen WHITE FIELDS OVERSEAS EVANGELISM we have literature, Bible lessons and bibles which I gave to them to equip them for Ministry work. My fellow workers in our Lord's vineyard, I want to let you know that there is an urgent need for us to fervently pray for the church in Sierra Leone. The persecution on the church is so great; the need to train church workers and Leaders is so eminent; the need to have church buildings and bibles is so urgent; the need to spiritually and financially empower these churches to be self propagating and self supporting is so necessary etc, that even in our poverty we need to come to their aid quickly or else our "Lord of the Harvest" will one day judge us if we neglect these young brethren in Christ. Hoping to hear from you. In Christ, Mike Foday

## Christmas Time At The Jesus Loves Me Home

Fall is here! Football is underway, leaves are falling, caramel apples have appeared in the stores, the weather is cooling down, and Christmas decorations have started appearing every where you look! That means we are preparing for our Christmas trip to Haiti.

Every year we plan a trip to take Christmas to the children that live at the Jesus Loves Me Home in Gonaives, Haiti. We do this because they do not

have anyone else and they do not have anything. They do not receive what our children may receive but they are so thankful for the things that they need so very, very much. We buy new pots and pans, kitchen utensils, eating utensils, blankets and sheets, clothing, ice cream & candy for a party, and a large Christmas dinner! We do try to provide items for the children's play time too.

Every year we ask your help on this. If you could please send us a small Christmas money donation for this project, you will help tremendously! Every cent counts. This is the one time of year that the children receive something special. We pray that you will consider this and donate towards this. The children are so very happy! If you are willing to help, please please mark your checks or send a note saying that it is for the JLMH Christmas.

In years past we were allowed to take items with us! This is no longer the case. We have to take money & buy everything in Haiti!

We will be leaving for Haiti on November 28. We will hand carry this money down at that time. Please be in prayer for this trip. Not only will we have a Christmas party for the children, but we will also be working at the property and holding revival meetings.

## Back From Mauritius!! JD Miller

we discovered there at a later date.

After our overnight stay in Johannesburg we hopped aboard Air Mauritius and were met at the airport by Jonathan Miller. He introduced to his talented wife **Titane**, who has just published her first Christian Cartoon book called "God Stuff" and is already enjoying much success in Australia and France, as well as Mauritius. She is a very gifted artist, who has dedicated her artistic prowess to the glory of God. The Millers (no direct relation to yours truly) have two children: a 12-year-old daughter named "**Swan**" and a 6 year-old son named "**Elle**", and Boyce and I enjoyed getting to know them. Boyce and I stayed with them for the duration of our trip. After arriving late Friday night, we formulated a plan to drive across the island and get acquainted with the general geography and population of Mauritius. We met with some of the new church members that evening to discuss what they felt were their greatest needs and how White Fields could be most helpful.

Sunday morning we were invited to worship with the new congregation currently meeting in the beautiful home of a couple from Australia. The service was led by a former Baptist minister who has chosen to separate from that denomination and just be a Christian! Brother Boyce was invited to preach, and he brought a great message on the Guidance of God in our lives. The members begged him to continue when he began to close his message, but, unfortunately we needed to leave in time to make our afternoon flight back to South Africa.

We left knowing that the Holy Spirit is at work in the hearts of our new friends, brothers and sisters in Mauritius. The testimonies that were shared that day from former Muslims, Hindus, Jews, Catholics and Baptists were in unison in their desire to just be Christians like those defined in the New Testament. We have pledged to do all we can to support them by helping to provide a minister and spiritual guidance through teaching seminars. They are asking us to consider helping them acquire a loan for a building to worship in. Most of these new members are professionals, including a Oral Surgeon, a Contractor and business owners. They are prepared to support a minister as soon as we can provide one that is compatible with their population and geographic circumstances!

**PLEASE, PLEASE, PLEASE** pray for this new opportunity, One point three MILLION people live on this island. They need and deserve to know and worship Christ like we do, in truth and freedom from the idolatry that has infiltrated every aspect of worship and was so obvious to Boyce and I as we travelled across the island.

If you are willing to support this new church by dedicating yourself to personal service or giving financially to support this specific church plant, would you please contact White Fields or me right away? We and they are willing to organize the assistance but we need you to volunteer your gifts of teaching, preaching and giving to be successful. Please let the Lord lead you as He would have you serve.

### Victory In St Martin ~ Two Great Needs For Your Prayers

Consider this one of the most important news reports you have ever received from White Fields. We have just arrived home

from St. Martin. We are extremely thrilled by all God is doing there. God granted a great revival with the church building overflowing at each of the 9 services. About 100 rededicated their lives, and 7 new souls accepted Jesus and obeyed Him in baptism.

It was 19 years ago that Esther and I made the first trip to St. Martin for the purpose of pioneering the first Christian Church in that French island nation. God blessed us on that trip and we were able to establish one small "house church" in the home of Paul Vanuis. That congregation grew and grew. We made repeated trips there and preached many revivals. We also recruited Delmar Debault, Steve Bycroft, Danny Roberts, Joe Garman, Blythe Robinson, and several others whose names I have forgotten and all went and taught and preached and helped in many ways.

The church has now grown to a medium sized church with a little over 200 members. Each Lord's Day the Church building is filled to

### Victory In St Martin ~ Two Great Needs For Your Prayers

capacity with "standing room" only. Through the years White Fields built them a nice church building and since then the congregation has added a 2nd building.

Due to family problems, with 2 daughters needing education, Paul Vanuis and wife have moved to Paris. The church is now in need of a Minister. They have requested us to find one!!!!!!!!!!!!!!!!!!!! THIS IS WHY WE NEED YOUR HELP.

This is a golden opportunity for a Preacher who has a desire to really do the Lord's work. The church has 3 qualified Elders and many other good leaders. It would be a marvelous church for any Preacher to Minister to. They cannot pay a salary, (whoever goes would have to go as a missionary and raise his own personal support) but they will try to provide an auto for his use, and they will assist in helping to find living quarters etc. etc.

To add to the Minister's opportunity, we were able on this trip to work with a "nucleus" on the Dutch side called SINT MAARTEN. Whoever goes to minister to the St. Martin Christian church will also have the added opportunity of helping to firmly establish the Christian Church on SINT MAARTEN too!!!!!!!!!!!!!!

Please help me find a minister who would be willing to go to St. Martin and serve our Lord Jesus Christ. It is one of God's most beautiful islands. It is a safe place with thousands of beautiful people waiting to hear God's word.

There are two more needs on St. Martin and Sint Maarten-----both churches need church buildings. The church on the French side---St. Martin has outgrown their two buildings and they need to relocate and build a new building. The new congregation on Sint Maarten is temporarily meeting in a tent and they need a church building. PLEASE PRAY FOR THESE NEEDS.

In Christian love, Reggie & Esther Thomas
