FROM BROTHER EK DURIRAJ IN INDIA

Dear Brothers and Sisters,

I am happy to inform you that we are praying and planning to conduct VBS Teachers Training for 125 young people to teach VBS in their area for 5000 to 6000 Children for 10 days to 2 weeks. You are aware that every year many Hindu and Muslim Children are attending in the VBS and learning the Love of Jesus and Jesus is the Lord. (in my Previous report I mentioned that many Hindu children have taken vow not to bow down their heads to the Idols and not eat the food which their parents sacrifice to the Idols) and also their parents are getting opportunity to hear the Gospel and accept Jesus as their personal savior through the Final day Program. Every year we are harvesting many souls through this VBS program. During this VBS program we have to feed the Children and provide the snacks and drinks for their hungry stomachs. Please pray for the needs of VBS Books ,teachers guides, badges, pictures etc for Junior , Intermediate and Senior students. God is good to hear our prayers and supply our needs to purchase the above materials.

We are praying for you all and expecting your prayer and support to conduct this VBS in a successful manner.

Yours in His Service, EK and JOYS

Immersion in 2013

We praise God that during January of this year 2013 there were 1,423 souls who accepted Jesus as Savior and Lord and obeyed Him in Christian baptism. White Fields Overseas Evangelism is associated with 439 native evangelists world wide. These evangelists are all looking to White Fields for support. At the present time we are only able to support 129 Native Evangelists. We need more supporters.

It is a great thrill to report to you that these native evangelists have written to us that during January and February they baptized 1,423 souls into Christ. We give all praise to God for the souls won to Christ through the power of His gospel.

Two Old Evangelists Serving Together For 65 Years

Dr. Dennis Pruett was a young man in August 1948 when he and Reggie Thomas met for the first time in Perrysville, Kentucky. Reggie was an evangelist preaching a revival meeting at the First Christian Church in Perrysville. Dr. Pruett drove over to Perrysville and attended the meeting and then invited Reggie to go on an airplane ride with him. On this hot August day there were thunderstorms in the area and they were caught in one and Dr. Pruett made an emergency landing in a cornfield! Reggie got out and kissed the ground and said he would never fly in an airplane again. This was the beginning of a lifetime partnership in the gospel.

Dr. Pruett was preparing himself to go to Africa as a Medical Doctor and Preaching Evangelist. He believed that modern medicine and the gospel could be used together in winning souls to Christ. Dr. Pruett along with his associate John Pemberton recruited Reggie to be a member of their mission board. Pruett and Pemberton became world famous as pioneer missionaries in Rhodesia winning thousands and thousands of souls to Christ.

In 1966 eighteen years after first meeting Pruett, Reggie dedicated his life to missionary work and Dr. Pruett and John Pemberton were the first missionaries to invite Reggie and his family to come to Rhodesia to evangelize with them. During the three months of revivals that Reggie preached in Rhodesia, his daughter Teresa became critically ill with acute appendicitis. She required immediate surgery and Dr. Pruett flew in his single engine plane at night time across the jungles of Africa and landed at a grass strip in Hippo Valley as Reggie guided him to a safe landing using his car lights as landing lights at the grass strip. Dr. Pruett successfully operated on Teresa and now she is a missionary in South Africa. Dr. Pruett became the Thomas family hero and Reggie and Dr. Pruett became closer friends than ever.

Recently Dr Pruett's mission board HASTEN held its annual board meeting in Key Ismaraldo, Florida. Reggie has been a board member ever since the beginning of this mission. He was there and participated in the board meeting. At this meeting the board responded to a plea that Reggie made on behalf of the new medical Clinic in Gonaives, Haiti. Hasten Board members voted unanimously to support the project Reggie recommended. Dr. Pruett and Reggie rejoice that they have been privileged to be close friends and partners in the Lord's work for 65 years.

Soul Winning Crusades With Udaya

Feb. 1, 2013

I am so glad to tell you that in the 80 village crusade meetings there were 1054 souls who accepted Jesus and were baptized into our Lord Jesus Christ Praise the Lord.

“BUT THANKS BE TO GOD, WHO GIVES US THE VICTORY THROUGH OUR LORD JESUS CHRIST” I Corinthians: 15:57

While we were conducting the village crusades we faced many problems by some Hindu religious people in 4 villages. They didn't permit us in to the villages. They know very well if they permitted us most of the people will accept Jesus Christ.

In some villages God has done so many miracles. In Ramapuram village I delivered the message, and after that I gave invitation to the people and 15 accepted Jesus. After that I asked people to close their eyes and let us pray, in the middle of the prayer our preachers (Karunakar and Dass) discovered one evil spirit in a woman. I raised my prayers and I commanded in the name of Jesus that evil spirit to leave her body and never come again into her body. All of sudden the evil spirit went away amazingly. All the people saw this miracle with their own eyes. The village people told me that she has suffered with this evil spirit from last three years and they spent one lakh rupees doing witchcraft and Black magic practices. “YOUR GOD HEALED THIS LADY VERY GREATLY AND YOUR JESUS IS THE REAL GOD” they spoke to me. Now she accepted Jesus Christ, not only she but also her husband and two children and they are going to take baptism. Brother Reggie thank you so much for your messages. I was able to use your messages printed in your book of sermons. I am remembering those days when you delivered the messages all the people accepting and obeying in baptism. We miss you Dad. But this is not end; I must have to follow up these souls regularly to strengthen their spiritual life. We are making plans with all the preachers to go back to each village and teach the converts to be faithful. I am requesting you Dad please kindly pray for me and my Ministry work.

PRAYER REQUESTS

Pray for 5 new Church buildings.

Pray for four wheeler vehicle (car). If I got a car it is so easy to conduct the meetings, God's Little Angels Orphanage children support is small. It is very painful to run the orphanage with this small support. Please kindly please help me and pray for me and our Orphanage.

We need mike sets in 3 churches.

Thanking you,

Yours Loving Indian Adopted Son,

D. UDAYA KUMAR

WHITE FIELDS ASSOCIATE EVANGELIST JEFF BADGERO REPORTS FROM HAITI

Hope Missions Jeff and Carol Badgero Back in the USA

Thanks for your prayers, encouragement and support. It's good to be back home but there is always lots to do everywhere. On our way home I got a call to do a funeral in my home town for a lady who made our wedding cake, she also had a small restaurant and gift shop. I remember going there in the 5th grade to learn about proper dining etiquette. It's funny how little things in your past come back to your memory.

One of the men who traveled with us, Dillon, was sick the day I left. He called that evening and was worse, he said he was having blood in his stools. That changed our plans so I returned to Haiti to collect him and Robby, their parents and church family did the behind the scene shuffling of new tickets, so when we arrived at the airport all was arranged. Dillon was very sick on the way home, when we got to Lansing his mom picked him up and on their way to Grand Rapids he said he needed to get to a hospital. They returned to Lansing and spent the night in Sparrow hospital. He had strep throat and some intestinal problems, he was put on IV's and antibiotics, then they observed him through the night. He was sent home last night with follow up with their local hospital. Please continue to lift him up in prayers. Robby made the trip back to Kalkaska with us and we got to meet his mother. She said he looked ok but had lost some weight. She was happy to see him. We thank God for both these men they were an encouragement to me. It is good to see people put their faith in action. Much like Abram they went to a place they knew not, to a people of strange tongues to serve the God of creation. They studied, prayed, sang, taught and preached as they lived among the Haitian people. They traveled to a remote mountain village with an interpreter and were offered hospitality from one of the locals so they stayed in their home and supped with them. The words of Jesus in Matt. 25 "whatever you did for the least of these you did for me." The encouragement I received from these men is available to you as well, look around you there are several young people who want a chance to spread their wings. Why don't you come along side one of them and encourage them to serve the King of Kings with you. Carol and I are battling a cold that is stuck in our chest and not quite sure what to think of the 3' of snow on the ground or the 10" since we been home. One thing we strive for "As for me and my house we will serve the Lord where ever He calls us."

Jeff ,Carol ,Dillon and Robby

ELENA WHITE FIELDS ORPHANAGE SERVANT IN BULGARIA REPORTS:

I am now Elena Yordanovaa. Yes, in the midst of big snow and cold we got married. Our pastor and his wife were our witness. I'm so happy!!! Now I have just one photo and sending you. When we got more will send. Love you so much Elena

I think I wrote you before about the one girl who became a Christian 2 years ago. She is coming from one of the most influential and rich people here, but.....her grandfather was the Chief of the police during the communism system. During these years he destroyed many human lives and churches. When people found out about Mila (her name) they became so angry, and they stopped her from coming to church.. We, the church members were not allowed to greet her on the street. Two months ago Mila celebrated her Eighteenth birthday and by law she is now an adult and has more rights. She called us and said as she is now of age she wants to start to come to church again. I cannot explain how angry her parents became. They start to yell, scream, and said many bad words to us Christians. Yesterday her mom and grand mom came to church to fight with us. They said many bad words, accused us of being a dangerous sect, accused us of brainwashing their daughter, and finally cursed us for being evil people. Then they left the church but after that called Mila on phone and ordered her to come home. She went and they beat her and hurt her a lot. They say to her, "no more church for you." She answered that she will continue to come because she is an adult and she believes in the teachings of God's Holy Word. They took her key and sent her out from the house. She went to stay at the pastor's house. Yesterday my husband Georgi and I went to find clothes for her.

Today her grand father called and took her back home. Now she said on internet to me the situation is still bad, she doesn't know what will happen. She is such a nice, sweet girl. We are praying and hoping for a miracle for her. She really needs us in this hard time, she is calling, talking, asking for advice Pray for Mila. Love, Elena

STEVEN ENOCH WHITE FIELDS EVANGELIST IN LIBERIA, AFRICA REPORTS:

Dear Parents in Christ,

The work is going on here in the Charity Church of Christ through the Lord's power. We were able to sew 20 pieces of Choir Gowns for our Church Choir. We have been praying to have a choir gown which the Lord provided.

We now have a Muslim convert with her baby, She is Janneh Morris. She bore five children and all died except the one that she has in her arm. She is being kept up by the power of Jesus Christ. I pray for the child every Sunday. She has been abandoned by her father and she has no one to help her except for the little help that we give to her from the benevolence. Pray for her to remain faithful to the Lord.

Our sister Lady Kebbeh Duwor was helped one time by Newbury Park First Christian Church for her eyes to be operated on. She now sees clearly. She is a widow with no child. All her children were killed during the war. Her daughter died in her arms when she was shot by gun men and the bullets passed through her arms. It can still hurt her at times. She is kept up by us in the church. Her only sister is very old up in Loffa County.

Please pray for Charity Church of Christ as we try to serve the Lord in this very hard Country of ours with not much to do to survive except to sell little things which have so little profits. We now need men who will go out with the word of God. Jonathan Wilson is going to a Bible college here studying to be a Pastor as he said to take my place in the Ministry.

God bless you all and keep us in your prayers.
Bro. Steven S. Enoch
