Immersion in 2018

We praise God that during this year 2018 there have been 2676 souls who have accepted Jesus as Savior and Lord and obeyed Him in Christian baptism. It is a great thrill to report to you that these native evangelists have written to us that during January—August. They along with our American Evangelists have baptized 2676 souls. Thank the Lord!!!

Floods in Kerala State India

FROM EK
Greetings to you all in the wonderful name of our Lord Jesus Christ.

I am very sorry to inform you all that our neighbor state, Kerala (which is 600 miles away from our place and hope you might have seen in the news channels) was affected by the flood and suffering a lot with lack of food, drinking water, and clothes. Many there died and many thousands were lost their houses and belongings.

Today we have purchased biscuits and sent to Kerala to distribute to the hungry. We are praying for the affected people to save them from the distraction and get back to normal life.

My team and I are planning to go and do the relief work with sharing Gospel to them. I am speaking with our well wishers and raising some funds to feed the hungry and provide mats and clothes to the people

and this is a great opportunity to meet them and share the Gospel and do the personal evangelism.

I request you to help these affected people and join this noble cause to save their life and also know them Jesus is the Lord and bring them in to Christ.

What's Happening In Cuba

FROM PASTOR ANTONIO
God bless you very much. I have another good news. Recently, just a few weeks ago, I sold one of the apartments I had in the city and bought a delivery house in the surroundings of the city with large areas of dirt yards around it, with the aim of using it for church activities, baptisms and the different groups of brothers that I attend and maybe use it too. God willing,

to raise a Christian congregation already specifically in that place. We had a good day in a country environment, with fresh and a nice natural environment, where we had lunch, prayed, preached and evangelized of God and there is already at least 5 people from near there who accepted to follow Christ. Pray a lot for this, because this is more work, without counting all the things that need to be fixed, prepared and done, economically speaking in order to be able to attend to this and the rest of the things that I am already doing for God.

I love you very much in the love of our Lord Jesus Christ.
Pastor Antonio Martín Quintana
Christian Church of Guanabacoa and Christian Missions Havana.

FROM PASTOR YIOSBEL
We send you two pictures of the new place where we will be gathering the Christian Church in Marianao. With a lot of work with the brothers and sisters of our congregation, the help of Global Church Grow, and the blessings of Jesus our Lord, we are now about to finish.

We hope that you are doing well. Greetings from the brothers and sisters here,

From Seth Effa in Ghana

Peace be unto you all in the name of our Lord Jesus Christ. I and my family are writing to say we are grateful and appreciate your support, love and gifts. You have been truthful and have kept your promise since 1990. God bless you always, protect you, the lives of all your family and loved ones from harm and catastrophes.

Please, let us continue to praise the Lord with all our being. Our God can pass through or use any part of our bodies, be it may, our hands, legs, eyes etc. to bring glorification to his name. He is the sovereign and mighty God in battle who bring peace to his people and also destroy the plot and armories of the enemy. Ezek. 6:11, and 27:14-17.

The churches are fine in the Lord. All churches of Christ are having women convention at Ejisu, Kumasi road in the Ashanti Region, about 40 minutes' drive from Konongo (where I reside). We are leaving today on this 2nd day of Aug, 2018 and return on Sunday evening (5th Aug 2018).

Glory be to name of the Lord for his kingdom keeps on expanding. A soul gave his life to Christ last Sunday at Bompata Christian Church. This branch was established when mum Barbara Barger and Stephen Bycroft visited Ghana few years ago. Please pray for Konongo Church Building which is under construction, the size of the building can no more contain the congregation. People have to sit outside the building every Sunday, church gathering and events.

Please people of God, we are seeking your assistance in the church building expansion project that is underway.

Hereby attached are some pictures of the current expansion progress so far. I will be sending you videos when we come back from the convention.

We appeal to your kindness and love for God once again that you support us. Any contribution you can do for us will do a great change in the work of God and the blessings of God shall fall on all those who promotes his agenda.

I believe our request will meet your warm regards. May the peace and blessings of God come upon and be with you for all eternity.

Pray For Our World Wide Evangelists

Why should we pray for our world wide evangelists? There are the normal reasons: encouragement, strength, safety, and to be the preacher his congregation needs him to be.

“Little children, you are from God and have overcome them, for he who is in you is greater than he who is in the world.” 1 John 4:4 ESV

Our world wide evangelists face many of the same problems our American preachers do, but they also face more difficult situations. One situation is not one we like to talk about or even face here in America as they do in the rest of the world. We have it here in America but it’s not so “in your face” as it is in other places. We really need to pray for our brothers and sisters around the world.

“For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery.” Galatians 5:1 ESV

In August, Steven Enoch wrote a letter talking about a “Bush devil”. This is not the first time he has mentioned this or other “off the wall” happenings. I admit I light heartedly questioned this and, yes, a little cynical! I decided to google Bush devil. What I found was serious and weighed heavy on my heart.

Here is Stevens letter:
The Assistant Pastor for the Charity Church of Christ in Gepo was forced into the Devil bush and initiated him yesterday. I was informed by Pastor Saye Dolo in the afternoon that he was taken from his room when his sister went to call the Pastor in his farm. Before he could come, they had broken his door and taken him into the bush already for initiation. One of our pastors who works in the office of the Representative Hon. Larry Younqueh of Nimba County whose hometown the church is in was told to inform the Representative. He made an appointment for me to meet the Hon. Representative. I met with him this morning and he told me that we should join the Inland church which was affected too in one of the towns to go and meet the President of Liberia about the case. The Devil Society members also took one of their preachers. We have sent Bro. Luke and Bro. Leanelly to Gepo to get all the facts surrounding the matter. We need prayer and help.

After reading about Liberia, I started thinking about voodoo in Haiti, things we’ve seen in India, and decided this needed to be mentioned so that we can all pray more specifically for our evangelists. This is a very real and very serious problem.

“Submit yourselves therefore to God. Resist the devil, and he will flee from you.” James 4:7 ESV

Voodoo is alive and strong in Haiti.

From Ronel Joseph in Pignon, Haiti:
We may not face the same but I think voodoo makes it hard for us too. Some people are still slave of the voodoo, even if they are at church, they still worship idols...

Pray For Our World Wide Evangelists

For this reason they always possess by demons and give pastors more work to cast out demons. And also, we have the spiritual battle as well, we have to strongly stay in prayer to be protected and guarded by God else you may end up in ungodly deeds. Pastors are encouraged to partake in Freemason which is a secret society that practices voodoo undercover as well. So our battle is huge here. People are sending evil spirit on other people if you are not connected in Jesus as your protection, it is easy to run to voodoo as some believe it can protect them. That is why we need a lot of prayers.

“You are a hiding place for me; you preserve me from trouble; you surround me with shouts of deliverance. Selah” Psalms 32:7 ESV

In India, our teams have often experienced demon possession. Along with severe persecution, the Indian Evangelists and converts have to face witch doctors.

Suman Singh, Chennai India:
Hindus believe in witchcraft and some of them practice it. Still there are witch doctors in villages, especially in hill country areas in India. Demon possessed people will be taken to them to cast out demons. Christians face difficulties from Hindu fanatics. They are attacking church buildings and Christians. We are not allowed to go and preach at some villages. If we go there they beat us and burn the literature and Bibles. We faced such incidents when we went for outreach ministry. Muslims also practice witchcraft and make money from innocent people who seek them.

“I sought the Lord, and he answered me and delivered me from all my fears.” Psalms 34:4 ESV

In Bulgaria there’s an uphill battle. Most people there believe Christianity is a cult. Most churches do not believe that children/youth should attend church. So the church of Satan reaches out to the youth of Bulgaria with activities. Many Bulgarians practice black magic. Elena told me that something call “Gospel of Prosperity “ is very popular among Christians now. This is also causing problems. They say you must be healthy, beautiful and rich to be a Christian.

“When the righteous cry for help, the Lord hears and delivers them out of all their troubles.” Psalms 34:17 ESV

We need to pray daily for our evangelists and Christian brothers and sisters around the world. We need to ask for a hedge of protection around them.

“Be sober-minded; be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour. Resist him, firm in your faith, knowing that the same kinds of suffering are being experienced by your brotherhood throughout the world.” 1 Peter 5:8-9 ESV
