News From Liberia

Steven Enoch-

We are grateful to God for you and all our Sponsors. We thank the Lord again for another month that ended successfully with the men on the field still serving the Lord in their towns of assignment in Liberia and Guinea. Praise God! We had 59 Baptized in Liberia & Guinea last month.

We need your prayers for the church that is in Jekeyeh. The preacher that was assigned there left and went to another town for job. We are praying to get a new preacher to go there.

Please join us in prayer for our upcoming International Convention that will take place in Logan Town, Monrovia from December 11th to the 15th. There will be good Bible teaching through the week. It is a yearly event. This will be the 5th since we started in 2015. It has always been rewarding.

The church building in Fantasy is still being built. We are praying for the churches in the interior that are preparing clay blocks for their building, they will need metal sheets to protect the buildings from the rain. They are willing to do the work of the Lord but the funding can be the problems fot them. Our country has become so hard that all local materials are now being sold in United States Dollars. Please pray!

Aaron Whisnant-

I ask that you join us in prayer for \$500 to buy Christmas gifts for the Sunday School children at Triumph Church.

Pray that God will provide \$1320 to buy instruments for our outdoor outreach:
2 speakers \$700
1 generator \$300
1 amplifier \$200
1 set of mark \$120

John Sumo-

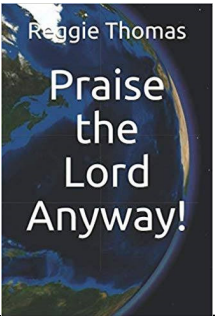

Thank you so much for the help for my wife's medical bills. We did my wife's check up and she will have to see doctor twice every month. They said they will be doing a kidneys and liver test .Her walking is not yet good. She is still swollen up from chest down to her feet and can't walk well. By God's Grace we have gotten the land for our church.

Introducing... Udaya Kumar

Name **D. UDAYA KUMAR**

Birth Date 9th April, 1978

Birth Place Kadapa, Andhra Pradesh

Where you currently live: Varadaiahpalem

Married? Yes

Name of the Spouse: Sujatha

Children? Names & Ages? 2; 1. D. Thomas Richardson; 2. D. Mahima Sharon

When and where you baptized? I baptized at the age of 22 in Kadapa District.

Who lead you to Christ? My Dad

Why did you become an Evangelist? : I had a vision to do Lords work.

What is your favorite part of being an evangelist?: Reaching unreached villages and Preaching in the villages (Gospel work), Praying for the sick people, helping the poor people in need of emergency and preaching Word of God to the preachers (taking Bible classes to the preachers).

One story about your ministry: My ministry started with my Father-in-Law, the late Sathyanandam with the great support of Reggie Thomas through White Fields. He established nearly 40 -50 churches in and around 2 to 3 districts. After him my Brother-in-Law, the late Jaya Kumar lead the ministry. After his demise I took the ministry as per the guidance and suggestions of Reggie Thomas from 2010 onwards. I successfully completed 9 years and saved thousands of souls. Every year I am organizing crusade meetings in villages by the support of White Fields ministry. During the crusades we saved thousands of souls in Jesus name. I constructed 2 church building with the support of White Fields. Apart from ministry we have Gods Little Angels Orphanage. We give food and shelter to hundreds of children in home. My Mother-in-Law Dhanamma and my wife Sujatha are taking care of them. My ministry is needed/required to construct nearly 10 church buildings.

Tell one thing about your country: I love my country. Here many people don't know about Jesus Christ. Many of them are idol worshipers. They believe/worship in nature and they are so many superstitions. I want to introduce Jesus Christ into their lives. God had a plan/vision for me and He had chosen me to save many souls in my country. And I am doing His work up to my last breath (forever and ever).

Update On Haiti

I wish I had better news, but the situation in Haiti continues to become worse. At ICOM we were able to visit with several Haitian friends. We could tell they were exhausted and heart broken.

Salonique said it was definitely God who helped him get out of Gonaives. It took 12 hours for him to travel from Gonaives to Port-au-Prince. He took his vehicle until he was turned away, then he walked, he then took a tap tap and finally made it to the airport by moto taxi. Avenal told of going to visit one of his mountain churches and was stuck there for 2 weeks because of the manifestations and no gas. Others said they had money in the bank but could only get \$80. The people are suffering and they can't help. Rice is now \$25 for a 25 pound bag.

Francius Joseph-

Today I write to you about the situation of the crisis politics in Haiti, there is a great famine in Haiti with the people in this country of Haiti, especially the church members in Haiti. The great problem they have is no water to drink, no food to eat, no gas, no hospital, no school, no medicine, no doctor, and no travel for the road it is locked . The life of the people in Haiti it is very difficult for the people to get something. I was just trying to help some of the church members and I can't continue to do that for the reason is I don't have enough to possibly to do that. Today I write to you to please think about the situation in Haiti. I just to ask you please to try to get some help to help some of the church members in Haiti especially in the area of Raboteau in Gonaives, Haiti to get some food and medicine to help them. They are very hungry and sick and God will bless you, your friend in Christ Francius Joseph in Gonaives Haiti

*** We have been able to money transfer \$800 to Francuis. He has received all the money and has given out money to all his church members. He is so thankful for the help.

Descar Auzeel-St Marc-

I am fine, yesterday we had church but we did not hear the preaching. There was violence at some churches. People are throwing stones into these churches. To avoid that we finish without hearing the preaching.

The pastoral league of St. Marc had written the 10 commandments on a monument in the public square of St. Marc, a magician crushes it to put his satanic laws.

We remain in prayer so that the situation is not more serious.

Please continue to pray!

Children's Ministry

Jesus Loves Me Home-

We thank you so much for your outpouring of love for the children. We pray everyday that we will personally be able to go and share Christmas with our precious children. They are doing well under the circumstances. They have a safe place and they are able to eat. I can imagine they are going a little stir crazy being in the compound everyday for the last several months. Pray for Prospere and Clotide as they are also inside the compound day in and day out. Give them strength, patience, and knowledge for what is best for the children.

Mark's House-

The boys at Mark's House are good, but they are starting with fevers and colds. Pignon is still relatively calm so the boys are attending school.

Promise Land Kids-

The kids at Promise Land are doing well. They have classrooms on the property now. They are attending school inside their compound. Jean recently sent a picture of the twins. They look great and adjusting very well.

St Thomas Orphanage-

New mattresses were needed at this home. Thank God He provided the funds for this. The children also celebrated National Children's Day.

Anna Enoch Orphanage-

The kids are all fine. We have registered the 12th graders already waiting for the 9th graders to be registered soon. We have to register the school every year and pay for accreditation every year which is not supposed to be so. We just have to agree with the power that be please. pray with us.

The Soccer Team is in yellow while the staff of the school is in purple during the old and new students game. The new students defeated the old students.

We want to thank all of you again and pray that the Lord will bless you continually.
