### More Bibles Passed Out in India

Greetings to you in the name of our Lord Jesus Christ.

We bought Bibles with your kind support. In India, Bibles are very needed. Some people

in India try to stop Bible printing. They want to stop Christianity in India. At this time Bibles are much needed. We have been distributing to poor people who can't afford to buy Bibles.

Village preachers ask for more Bibles because Bibles are not available in villages. So they cannot read Bible at this time. Now White Fields provided Word of God Bibles. This is very great project to provide Bibles. May God richly bless you and provide more Bibles.

We are appreciative to East Palestine Church of Christ Ohio. USA. Our children received the

Bibles from you they say thank you to VBS children's of East Palestine Church of Christ Ohio. They are praying for East Palestine Church of Christ family. Please pray for my ministry works.

As a result of Bibles being given, 4 Hindu girls have been baptized into Christ.

In Christian Love, Bro. Suman Singh preacher India.

## Introducing Elena Yordanova

Name Elena Yordanova

Birthdate 21.05.1975

Birthplace Botevgrad, Bulgaria

Where you currently live Svishtov, Bulgaria

Married? Name of spouse? Yes, Georgi Yordanov

Children? Names & ages? 3 Simeon 17, Rebeka 15, Anabela 14

When and where were you baptized? 10.12. 1990 in the river close to Botevgrad

Who lead you to Christ? My friend Ganka Petrova

Why did you become an evangelist? Because Bulgaria is full with dark, depression and hatefulness and the only way to change is by Christ

What is your favorite part of being an evangelist? Showing a life of light, hope and love.

I'm working/volunteering in school, taking care for 75 children. First is a miracle as a Christian they allow me to do this. Many people are afraid and say we are sect, cult, American agency. Second, most workers give up in school as there is so much aggression, so many gypsies and Turkish people and most of Bulgarian people don't want to work with them. It is miracle how these children open up to me and share their live and problems.

Tell one thing about your country (one thing you love, wish would change, etc)

I love Bulgarian nature - we have all mountain, sea, rivers, caves.

My husband and I would help in some green organization of cleaning, planting trees.

## Help Needed in Haiti

### Pignon, Haiti-

Jean Ronel and the First Christian Church have 2 new outreaches.

1. They are teaching a literacy class. They will be using the Bible and other Christian literature as their teaching material. Pray that this will reach more people for Christ.
2. A lot of couples in Haiti do not get legally married because they feel they have to have rings and wedding clothes. First Christian Church would like to help with this. They would like to have a "wedding closet" so that the couple will have no excuse. They have asked that if anyone has wedding dresses, rings, suits to please donate for this outreach.

### Bigot Christian Church, Gonaives, Haiti-

The Bigot Christian Church was built in 1985. At that time Bigot was in the country, now Gonaives has spread into Bigot and the area is crowded. People have squatted and built on the church property. These people are now discouraging people from attending church and they disrupt the church service. It is a MUST that we put a fence around this church before anymore damage happens. A Judge in Gonaives told us a block wall fence is our only way to stop people from squatting on the property. The total cost for a block wall fence around the property is \$8895. Please pray as this is a very urgent project.

## News From Around the World

We had a joyful day today because very good news: 2 souls accepted JESUS and were baptized; we have a certificates of presentation to the parents of 2 babies presented to Jesus in this last Lord's Day ; and 2 new persons attended to service and were in total 5 children present. So we give thanks God

### Udaya Kumar- India

In July our preachers and co workers visited 35 villages and 110 households and prayed for their families. In this month 9 people were baptized in Jesus's name after that our preachers distributed Holy Bibles to them. I am requesting you please pray for their spiritual development/growth. In this month we followed up and 10 members took baptism in previously different areas. They are not attending church regularly because here some Hindu religious leaders are forcing them to convert as Hindu and they are also offering (Money, Land, Jobs etc.) those who were converting from Christian to Hindu. But some of the poor Christians are considering those offers because of their poor conditions. I am requesting you please pray for them. My Camera and Laptop were damaged very badly and I am requesting you please help me to buy new one.

### St Marc, Haiti-

The church went to Roseaux with their evangelistic team. This is a very difficult place as there are no roads. One person was baptized.

The Ministry of Education is happy with us because all of our Senior students passed the WASCE Exam. Many schools failed flat with no student passing a single subject. Over four schools failed flat. Thank God that He helped us. Most of our teachers have teaching certificates. Some are in Teachers' Colleges and Universities continuing their Teaching to get a full degree. Pray with us. Some of our own children are amongst those in Colleges. Samuel and Hannah are in the medical College. Wesseh Myers is in Nursing school. We are praying to have a Clinic one day soon. Pray with us.
