## Praising Him in the Storm

Deuteronomy 31:6

"Be strong and courageous. Do not fear or be in dread of them, for it is the Lord your God who goes with you. He will not leave you or forsake you."

We've heard the songs, the sermons, the Bible verses, and the coffee mug quotes about praising God through the storm. It's one thing to sing along and repeat the verses when life is good, but it can be quite another to turn your heart to praise when the storms surround.

When we're in the storms of life, under fire from battles on numerous fronts, facing difficult trials, take hope in God's power. Turn your heart to find praise for the God who loves you and is fighting for you.

2020 has been a challenge for all of us. It has been difficult for our preachers worldwide. They have had to take care of themselves, their families, their congregations, and their communities. I asked them this month to reflect and tell me the praises they have had during this time...

### DESCAR AZUEEL, ST MARC, HAITI

My special greetings in Jesus' Name. We hope all is well with you, your family, and your ministry. We continually give glory to God for His blessings to us after spending a good amount of time in confinement due to Covid-19.

Many countries in the world are hit by this Covid-19 pandemic, there were many cases of death. But for us in Haiti, more particularly The First Christian Church of Saint-Marc, we say thank you to God because:

- 1) We do not have people among us who had been struck by the Virus.
- 2) During the confinement we gathered to give glory to God in small numbers, a small group of 10 people.
- 3) We have new members who have joined our church, some of them testified that it is God who can protect a person against contagious diseases.

And now all of our services are up and running.

We thank in a very special way all of our sponsors for their efforts to faithfully meet our economic commitments despite the current economic crisis affecting the world. May God protect you and bless you greatly.

### ELENA YORDANOVA, BULGARIA

God opens many doors of serving during Covid-19. I'm visiting old and disabled people and have the opportunity to speak about the hope we have in God. God is in control. It is so encouraging for me to see how after my talking, they smile and say, "You bring the sun in my house". I feel peace. Some of them ask me to pray for them, so we have time together in prayer.

God is so good! We don't have any case of coronavirus, all are healthy.

Also God made a miracle. I visited one woman, she cannot move, she stay only in the bed. She started to get worse and even stopped breathing. Her relatives called, so me and one girl went to her house to pray. The lady changed so quick - become pink, fresh and breathing normal. God just turned her from the death. We praise Him for that miracle!

Thanks to God we are all healthy and knowing that He is with us - even in the storm!

In Christ, Elena

### PATRICK LEWIS, LIBERIA

One great testimony is when there was no food during the lock down of the Covid-19. Then we received food to be share with the Church members to stop us from starving. May God bless you a lot. There is a lot to praise the Lord for, because many people who are of Muslim background are repenting and converting to Christianity. There is a need to teach the Word of God to these converts. Also pray as the spirit of God leads you.

### ALIOSIS GONGORA, CUBA

We know that the grace and peace of Jesus Christ our Lord and King is in your family, we thank you for your love and concern. My wife and I are meeting with each family of brothers of the faith, we praise God, and we participate in the Lord's Supper. Thanks to the mercy of Jesus Christ, we are alive and full of spiritual strength. These are times that we have to work harder, to show brothers and sisters so they see the support and the encouragement in us as the shepherds. In this time the powerful hand of God has saved us, God is the greatest and the most beautiful thing for us and our families. Greetings and a BIG HUG from Cuba

### THIMOT JACKY, HAITI

Our congregation does service twice a day. The month of October will be for a missionary month, we will form and implant some group for evangelism. The third Sunday of November to third Sunday of December, we will have one week of spiritual revival, one week of fast, one week of evangelism and one week of crusade.

### SETH EFFA, GHANA

Good morning and praise the Lord Jesus Christ for His mercy and love. Coronavirus is still there but here in Ghana we do our things free without fear. The government has given Churches two hours for worship both evening and Sunday mornings: worship, public preaching and funeral celebration also are going again. Again some evangelists preach in buses and market areas. We thank God for allowing us to go to His House freely without shaking, some Churches have not yet met as we Christian churches are doing, the members are praising God for this chance, joy always fills their hearts when they come to church.

### JOSE LUIS, CUBA

Thank God we are fine, the congregation that meets at my house on Sunday morning to glorify our God, thank you that we are free of Covid-19. We are delivering messages of encouragement, as the bible designed and our brother Paul reaffirms it in the Book of Romans chapter 8, that the afflictions of this time are incomparable with the coming glory that will manifest itself in us. This encourages us that it speaks to us of the coming of Christ, we praise our God for the good news that you give me about what God is doing in India. Let us praise our King for that of my blessings from God is that he has sustained me in faith and has allowed me to teach sound Christian biblical doctrine in different places. I live in the eastern part of the country where thank God there is no coronavirus. God bless you and greetings to all the brothers in the ministry, thank you.

### JEAN RONEL JOSEPH, HAITI

2020, a big wonderful challenging year. I remember in January we were dancing and thanking God for this year, but not knowing the wonders that would accompany along the way. Now, I realize how great is our God and how faithful He is, even in time of trouble and hardship He is able to take care of His children, protect them and provide for them. We can praise Him for life, because so many have already gone home, but He lets us still living on this earth. We are blessed, because he kept our friends safe, we are blessed even during this time he provides for our needs he doesn't leave us hungry with no food. Our kids go to school. We praise God, because even during the confinement where the government forbid meetings with large crowds some members came to worship and pray every Sunday, they came to Bible study anyway wearing their masks, many continue to add on the Lord's crowd even during this time. So He deserves our praise. Even during this time we continue to seek ways to accompany our youth to keep them motivated. At FCC we treasure that verse a lot Isaiah 41:10 So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you, "I will uphold you with my righteous right hand."

### AARON WHISNANT, LIBERIA

Give thanks to God in all situations." I praise God because since the Covid-19, I have been able to do more visitation house to house to members, non members, and more importantly to unbelievers sharing Christ. And the uncounted blessings during this time are my family both immediate and extended doing well in health, My brethren in Christ are doing well by His grace. I thank God for keeping me and all of my Christian brethren including you guys in US safe during these troubled times. Praise God!!

I have been teaching on God's plan for salvation in the following outline: \* Hope \* Atonement \* Redemption \* Faith \* Adoption \* Sanctification It's been really wonderful as we find out why we should remain faithful in times like these.

### YIOSBEL VALDES, CUBA

The church is still active visiting and preaching, we have 4 Houses of Prayer, we are not allowed to congregate, but we are discipling and we have 2 new believers ready for baptism. We are helping in everything we can, we buy food and bread and distribute in the community and neighbors, thank you for your prayers.

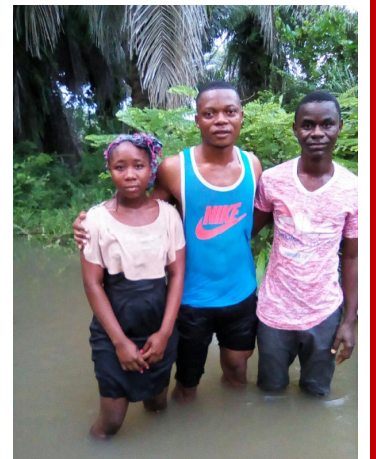

### MANUEL RODRIGUEZ, CUBA

My main praise is that my son Enmanuel in 1996 had Hodkin's lymphoma in the last stage and was to die by the age of 12. He was healed by the Lord and today at 37 he is still in the Faith, by my wife who supports me in my ministry and by my other two older children who are still in Christ

### JOHN SUMO, LIBERIA

We at Greater Refuge Church of Christ, held a revival September 17-19, 2020. I am very glad to have life and the chance to served God. We been having home services until now. Our Government is permitting congregational services with limited numbers of people. We been having revival services and baptizing lost souls that have given their lives to Christ. A Muslim girl was won to Christ in one of our services.

### ALBERT ARUMUGAM, INDIA

1. 1st Sept. 2020 I had a wonderful baptism service at our branch church Palavakkam with our co-preacher Enoch Eagambarm. I Baptized four souls into Christ. This is a praise to God.
2. Our church congregation staying healthy this is blessing.
3. I am preaching St. Thomas's 20 year anniversary.

### REY & CHEERY ABESIO, PHILIPPINES

In Calituban Church I'm so blessed because they are growing in their faith to our Heavenly Father. They are very active and faithful servants, we have so many youths who are very active also. But our youth needs instruments for the churches.

I thank God for help from White Fields through your father Reggie Thomas. Every time I preach I'm always remember your father that he is a good missionary, good preacher servant of God.

In Talima Church they are babies in Christ, we always teach them the Word of God, but we need bibles to give them. We have feeding program in Talima Church.. This coming Sunday Rey and I will be back to Talima Church.

### ROLANDO DURANTE, CUBA

Our blessings are that God keep us in good health, no one have been sick; we have continued in communion thru services with the elders serving and carrying out their ministry with more participation in small congregations, taking the Lord's Supper, prayers, and the message. We are blessed by the persons who have been baptized after having accepted Jesus Christ in their lives, even in the middle of this very difficult situation. And giving thanks to God for support for the elemental necessities in despite of the insufficient offering in the commerce. Praise be to God in all moment and situation.

### SUMAN SINGH, INDIA

Warmest greetings to you and your family from your brethren and sisters in India. I sincerely pray that you have missed this terrible virus and are doing well. Covid-19 has made things difficult in India. Church family and my family are doing well and safe in God's grace and mercy. Two of our congregation members were tested positive and were hospitalized. I thank and praise God for He has answered our prayers and healed them completely. Now they are negative and glory to God. They are doing well in God's protection. One of our preachers was also infected with the virus. God has remembered him and healed him. He is doing fine now. By the Grace of God. We receive requests for Holy Bibles from Hindus every day. They started reading during lockdown period here. Now, they would like to read the Holy Bibles to know the One True God. So, we have a need for the Bibles. Thanks for providing Bibles.

Now churches are open but church members who come are very few. So that I will visit the homes of the brethren who are unable to attend worship service due to the current pandemic. I cover my face with mask and use sanitizer and social distance and preach them God's Word and pray for them. Some neighboring people are coming to hear God's Word and request prayers for them at every place.

God has given me the opportunity to meet new people and minister them. Now my family is safe by the Grace of God and your prayers. Two village preachers ask me for rice for church members. I sent rice bags for two village preachers and they are distributing rice to their church members
