More Rice for Liberia

Hi sis Lori, I hope you and your family are doing well in the Lord. It is our prayers that the good Lord will protect you and your family from this COVID19.

This is thirteen more bags of rice that was given to two of the interior churches and Triumph Church respectively: Pastor Morris Johnson 4 bags, Pastor Morris Brown 4 bags, and Pastor Sebastain A. Miller 5 bags. These ones plus the 33 bags that were first distributed sum up to 46 bags of rice and were distributed among 9 of our churches along with transportation. I couldn't get it to them on time due to the lock down and the emergency.

Please extend our thanks and appreciations to our sponsors and to everyone who saw the need and help.

We pray that the Lord will provide so that those you have not received, may receive rice.

God bless you and your family.

Aaron

Steven Enoch-

We always thank you and all our sponsors whose support is an encouragement to us here in Africa as we reach the lost souls who are going astray on a daily basis. We pray that the Lord will continue to bless you all and open more doors to them and protect them in the face of Covid-19. God will greatly bless them for supporting us here in Liberia.

Please pray with us for the churches out in the bush area as they reach people for Christ. People are more concerned with worldly things and want to turn away from God.

The Central church in Logan Town is going through 21 days of prayer revival which is helping many people to get deliverance from the power of the Devil. This revival started on August 5th to the 21st. Pray with us for the strength to go through these 16 days of preaching and teaching of the Bible.

Roland McGill-

I bring you greeting from my family and the saints of God at Global Fellowship Church of Christ.

This report covers the resumption of our Church and church related activities immediately as of May 17th 2020 {that was when our government announced the reopening of churches.}

On the 21st of March 2020 due to the coronavirus (Covid-19) outbreak in Liberia, our government declared a state of health emergency and introduced lockdown measures including the suspension of all public gathering with immediate effect, all churches within the quarantined counties were shut down immediately, the measure remained in place throughout the month of April 2020 until the 17th of May at which time churches were allowed to reopen but with all precautionary measures in place.

I am very glad to inform you that by the special grace and mercy of God, all of our families and church members are reporting well and safe, the only exception was a tragic fire disaster that gutted the home of one couple of our church, no lives were lost in the incident but their home was completely destroyed to the ground leaving them homeless, this unfortunate situation occur during the lockdown period in April, 2020.

Please send my regard to our sponsors/supporters, we are praying continuously for the wellbeing of everyone.

My best of greetings to you and the family.

Introducing... Miguel Paez Guerra

Sister, I have been going to seminar events for perhaps three years, although some I have not been able to attend due to my health problem of coronary insufficiency. Shepherding in a Christian community of 24 brothers. The sisters are busy visiting one another and teaching the children while the brothers are busy teaching and preaching in worship. We take the Lord's Supper Sunday by Sunday and we all preach the Word of God in the streets through treaties and personal relationships that repent of their sins and are baptized recognizing Jesus Christ as their Savior.

Name:

Miguel Paez Guerra

Place of Birth: Santi Spiritus. CUBA

Date of birth: April 23, 1960

Place of residence:

Calle 4ta no. 8 Between Carretera de Sagua and calle A. Reparto Libertad. Santa Clara. Villa Clara Cuba.

Wife's Name: No. I am single.

Place and date of baptism

Baptized in the Church of the Nazarene

Punta Brava semisario. October 1984

Who led you to Christ?

A sister friend of my mother named Aeneid who departed with the Lord.

What do you like to do most in the gospel?

I like to console and encourage the fallen or saddened.

What is your favorite part of being a preacher?

It is when I see that the preached message had an immediate effect on those who hear me that they understood the spoken word.

Tell me a story that happened to you in the ministry?

I have gone through difficult situations in which watching me shepherd I have only felt sadness in my heart but God has supported me. I remember once spending more than a month wanting to embrace the Lord, it was a feeling within me that I could not help it. That made me even think that I was going to die or leave in his presence because I had never felt that before. I was 59 years old and with my health problem I thought about it. One day with that same feeling they knocked on my door and before opening the door it occurred to me to say to the Lord: Lord that one who is at the door, I am going to hug him as if he were you. So I went to the door and when I opened it, the least pleasant, the most difficult to love, was in front of me that one who comes to your house hours and hours and you don't know what time he leaves. The brothers themselves put him aside because he does not dialogue, they just want others to listen. I confess that I loved him but not as much as others who made his company pleasant. Well there in front of me when I opened the door I had the Lord and I hugged him, I did it with all my heart that even tears came out of me. It was a teaching that God had prepared for me in the area of loving and forgiving.

Haiti

Bigot Christian Church, Gonaives, Haiti-

We are coming to you again with this big need.

The Bigot Christian Church was built in 1985. At that time Bigot was in the country, now Gonaives has spread into Bigot and the area is crowded. People have squatted and built on the church property. These people are now discouraging people from attending church and

they disrupt the church service. It is a MUST that we put a fence around this church before anymore damage happens. A Judge in Gonaives told us a block wall fence is our only way to stop people from squatting on the property. The total cost for a block wall fence around the property is \$8895. Please pray as this is a very urgent project.

Update from Timot Jackey, preacher at Bigot-

I would like to inform you that the majority on the west side of the church is being locked up by a neighbor. There has been damage to the church building. We really need to protect the building.

New Church at the Airport-

We are need of a church building on land about 2 miles from the airport in Port-au-Prince. We were renting a building for \$6000 for a year, but have stopped that since we have the land for a church. We are need of \$15,000 to build the church. Any amount raised, we will go ahead and start on the building. The congregation will meet under a tent on the land until the church is built.

India

Cuba

Cuba has been hard hit like the United States with COVID-19. In July, the government relaxed some of the restrictions, but since the infection rate has risen they have clamped down again. Havana is only open to authorized residents; all the public transport is shut down. All restaurants are closed at this time, everyone is on lockdown. The streets look like a ghost town. But through all of this the preachers in Cuba have been able to hold some church services unless authorities came by to tell them to stop. Here are some reports that we have received from some of the preachers for the months of April through July.

Churches in Villa Clara were able to hold services every Sunday up through July. Jesus Diaz Santos in Villa Clara reports 3 baptisms and he has been preaching through the Book of Philippians.

Joel in Villa Clara reports 2 baptisms and he has been preaching through the Book of James.

Churches in Santi Spiritus were not able to meet in April and May because the town was shut down for quarantine.

Nel Luis Cabrera in Santi Spiritus reports the church has been studying the Books of the Old Testament in June and July.

Feliberto Diaz in Santi Spiritus reports 4 baptisms and he has been preaching from the Books of Hebrews and Romans in June and July.

Eligio Rafael Lara in Mayabeque reports 1 baptism and he has been preaching on faith and salvation during the months of April through July.

In Havana some of the churches continued to meet but had to have several services in April because the government limited the capacity at 6 people.

Jose Rafael Hernandez in Havana reports 2 baptisms and he has been preaching on the Lord's Supper and Christian Baptism.

Rolando Duarte in Havana reports 2 baptisms and he has been preaching from the Book of Revelation.

Sandro Gonzalez Galvez reports 1 baptism and he had been preaching on Prayer. Please continue to pray for the preachers in Cuba as times have been tough for them during this pandemic.

Haiti

Descar Azuel, St Marc-

I hope the Lord is always helping you. I am sending you some images from our service this morning. We say thank you to God, we do not have members of the congregation who have caught the Covid-19. Thank you.

Love Descar

Pray For Haiti

We are happy to tell you the schools have opened up and the children have started their education again. For the Jesus Loves Me Home children it has been over a year since they have been to school.

As happy as we are that they are able to return to school and continue their education, many children are not able to return. Between the riots, political strife, and Covid-19 an already devastated country has become worse. The people do not have money to eat, let alone pay for their children to attend school. This is a huge step backwards.

Also tropical storm Laura hit Haiti. The south part of the island had a lot of flooding. The majority of work is in the north, but the Promise Land Kids and Preachers are in this area. We have not been able to reach Jean St Juste at this time. Join us in praying that they did not have severe damage.

Pray for Junior Delphin. He has been suffering from migraine headaches and sinus problems.
