Rey & Cheery Abesio

I'm so thankful to our Heavenly Father that we have a good visit in Calituban Church. Thank you also for the help in Calituban Church. We have 2 souls baptized after our worship service last Sunday.

We are busy with house to house bible studies and painting our church and our children's class.

But we need to buy some paint to finish. Rey and youth are painting the church and children's class. We are planning to go back in Calituban Church on Nov.20 to finished the painting.

This coming Saturday Nov.6 Rey and I are going to Talima Church. Hope and pray we have good weather. We are so busy in the Lord's work.

Rey and I are busy in Talima Church now, Last Saturday and Sunday the owner of the land called us. They need money for emergency. They sell the land to us for the cheapest price. Before the price was 1900 pesos each square meter but now the price is 1200 pesos, that's very cheap price. So what we did in Talima church we negotiate the owner of the land. We ask them to installment basis. Last Saturday the Talima congregation paid the initial deposit to the owner, about 55,000 pesos. The owner of the land they give us to pay for one year installment basis. Then we pay another 15,000 for the surveyor. Tomorrow we are going to our lawyer to make a deed of sale of the land. Please help us to pray that we can pay the land for installment basis. I know God will provide our needs for the land. We are always to pray .

We are in Talima Church, we clean the land that we buy for church building. Last Saturday after our prayer meeting, we invited the six owners of the land to hear the bible sharing, then they sign for deed of sale. I thank God for the opportunity to share the word of God.

Please help us to pray for our island ministry.

Yesterday was our orphan boy named Raju's birthday. He celebrated with his friends. I bought new clothes for Raju's birthday. I buy the clothes and cake with your sponsor money. Raju is coming form Hindu family but he knows Jesus Christ is the real God. He reads his Bible every day, he sings songs for Jesus Christ. He is ready to take baptism very soon. Please pray for Raju. Please pray for orphan children and school children. Please pray for Raju coming to forward take baptism. We are praying for you and your family and white Fields overseas Evangelism family and brother. Zane Darnell and Lacey. please pray for my family and our Lord works in Jesus name Amen.

I am distributing school subject books with your kind help to school children and orphan children. They are very happy and pray for Christ and White Fields Overseas Evangelism family.

Another important issue is I distributed Bibles in a village of mostly Hindu people. Some believers take Bibles very secretly. Some believers read the Bible very secretly they keep Bible in home very secretly because of fear to Hinduism. Many Hindu people ask Bibles for reading and known about Jesus Christ love. Now our government is full of Hinduism. We need more Bibles for Hindu people. They are excited to read the Bible. In Christian love, Bro Suman Singh preacher Ap India.

Greetings to you all in the mighty name of Jesus Christ. We thank you for always remembering us in your prayers. We continue to ask for the protection of God for you so you can always continue with these good works.

October has ended and once again, His mercies has been sufficient to us. The month passed on smoothly and quietly without any hitches. Each of the branches had their usual Sunday services as well as their mid-week services. We are always grateful to God for the peace he has given us to worship him freely without restrictions.

Our fervent prayer is for others to have the opportunity to be able to serve God as we have. We do have our revivals once every month now and visitation as well.

Extend our warm greetings to everyone. We also do remember you in our prayers a lot. May God keep us all and help us work tirelessly and diligently in his vineyard till we meet again in his bosom in Jesus name. Amen.

Thank you so much for the monthly support that you sent to us for the upkeep of our children and the Ministers of the Gospel here. We will always remain grateful to for this kindness.

We have replaced most of the kids uniforms for this year. The New Teachers are doing their best for the kids, We painted the school buildings and changed some roofing sheets that were leaking. We repaired some of the chairs but some could not be repaired due to the level of damage done by the kids. We will soon be starting the Science Laboratory building on the school campus. We have some concrete blocks on the ground to start. We are putting a volleyball court on the campus very soon. The net and ball are available. We want to make the children happy to learn.

Remember to pray with us for the college fees for the children who are in the colleges learning mainly medicine to help us with our Health Center when completed. Hannah and Samuel are expected to graduate with their first degrees in July next year by the grace of God. Madaweh and Lydia are in their second semester. Wesseh, and Andrew are just entering. Wesseh has Associate Degree already. Join us to pray for them.

We thank the Lord for the works that He is doing through the men who are on the field of service for the Lord. Bro. Quincy Flomo was in a very bad motorcycle accident which put him coma for two days. He was coming down the hill from Sanniquillie when his tire burst causing him to collide with another motorcycle. They left him lying there and ran away thinking that he was dead. A man came along and took him to the hospital by the grace of God and he came through. He is recovering gradually. His head was wounded seriously.

We completed the 31 days Prayer Revival on the 12th of November in which 45 persons turned to the Lord including some Muslims who joined the church. Many people were delivered and healed.

We are preparing for the 7th Annual Convention to be held in Ganta City Nimba County. We have completed the roofing of the church building and now need prayers for the floors and plastering along with the doors. The Convention will begin on the 6th of December to the 12th. Please pray with us for the messages that will be preached in the morning and evening every day. We are praying that more souls will be added to the church there. The Ganta church has been growing this time through the daily prayers and deliverances at night. You will see it in their report below.

Keep us in your prayers for the churches that need roofing materials. They are:
1. Charity, Ghaapa - Guinea
2. Charity, Zuapa - Guinea
3. Charity, Gben Nyonyee, Nimba County

Those who need lands.
1. Charity, Duo Tiayee, Nimba County
2. Charity, Mao, Nimba County
3. Charity, Gbah, Bomi County

We thank you again so much for your prayers and support to us.

G.K. Palli Church

The church members are asking me to repair the church building. I spoke to a Hindu saint Eshwaraiah and spoke God's words and during the regular visits, he accepted Jesus Christ, but due to the various reasons and obstacles he is not able to come out from his religion. I am requesting you please pray for him.

One paralysed person also accepted Jesus Christ and he is also coming to the church regularly. I am requesting you please pray for him.

Now the church members are increasing and strengthening the church spiritually. I am requesting you please pray for our congregation.

I am requesting you sister please pray for G.K Palli Church building. This building damaged very badly because of heavy rains. Please pray for this church building.

But he is unable to speak, half tongue and half lower jaw (teeth) removed from his mouth. His family members are also coming to the G.K Palli Church regularly. Now he is going to work as an auto driver, earning and feeding his family members. I am so thankful to you all those who prayed for him.

Nagamma – Co Worker:

Our co-worker Nagamma is suffering with Uterus Cancer again. 10 years before she was in death bed because of cancer. At that time, she believed in Jesus Christ and prayed for her sickness. Miraculously God listened to her prayers and healed her completely. After that she decided to do Lord's work and for the past 8 years, she is our co-worker, working in Kalahasti Church as a co-worker. On 8th November, she is going to admit in Cancer hospital for her treatment. I am requesting you please pray for her quick recovery.

David's House

Greetings to you in Jesus name. Please convey our greetings to Sir Zane and the Executive Board of the White Fields.

By the grace of God we are doing well here and hope the same with you.

I am so glad to connect with White Fields Overseas Evangelism through Shepherd's purse. Thank you so much for your prayer and support for our India ministries.

Mam, our orphanage boys are doing well and have been busy with their studies. They were in need of new bedding and God provided it through Shepherd's purse and the donors. The boys are very happy by receiving this. Here I have sent few pictures for your view.

Also, you will be happy to know that as God has entrusted us with a Bible College. It started in the year of 2020 with 16 students. It's one year course. Out of 16, 5 students got graduated. They have been doing ministry in the different villages. God has been using them. We had the graduation program for them on November 10, 2021. I have sent you few pictures of the graduation ceremony. Now we have started the second batch of Bible College.

By God's grace the children centers in two villages are running well with 150 poor, orphan and social orphan children. There are 4 teachers teaching the children about their school lessons and Jesus. The children are growing in the Lord every day.

We always meet and share God's words with the widows. They have submitted their lives to Jesus. We have about 120 widows. We meet them often and spend time in prayer and studying God's word.

We thank God that our house churches are going well. There are 7 house churches with us at present.

Also 30 number of girls are coming to our orphanage everyday to learn about Jesus and their school education. We teach them about the love of Jesus.

Please keep on praying for these ministry to grow. We are praying for you and the ministry.

Thanks and regards,

In Him,
Joshua
