## A Visit to the Bo, Sierra Leone Church

In October, John Sumo, Aaron Whisnant, and other preachers travelled to Bo County, Sierra Leone to celebrate that congregation's first anniversary.

### From Aaron Whisnant-

Good afternoon Sis. Lori. I thank God for safe trip to Sierra Leone, and back, and for your prayers and financial support toward the work of God.

All of the support were great help to us as preachers and church workers on board to Sierra Leone.

The money given for the trip, the following were done: Preacher Bibles were purchased and distributed, transportation for round trip, electrical materials were purchased, microphones were purchased, lodging, feeding (through out), transportation for local preachers and some members mattress was purchased to help other workers be lodged. Prayers request for church in Sierra Leone is parcel of land. \$1200 for town lot including all legal process. Please pray along.

## News from Ghana

Dwelling in the house of the Lord is our utmost prayer and desire. May God see us through. Amen. Once again, the Lord has been faithful to us. He has taken us through September.

I bring you greetings from all Christian Churches in the Asante Akyem District.

Sunday church activities are still ongoing. We had a new member joining the Konongo branch.

Tuesday's fasting and prayer are also actively going on.

Pastor Seth and Pastor Prince have started visitations to the other branches during weekdays. They have assigned every Wednesday and Friday in addition to the occasional Sunday visits. Members are patronizing these new meeting arrangements and we pray to God for its sustainability.

The youth have also started their preparation for the December caroling service. Can you imagine? Nevertheless, it is their enthusiasm that we are glad for.

The new Pastor, Prince will be leading the whole church through 21-day fasting and prayer, starting on the 3<sup>rd</sup> of October. The next Sunday after our fast is our yearly harvest day.

The rains are still not showing any signs of lessening, regardless, we are still going about our normal activities.

We are always grateful for your support.

## News from Rey & Cheery Abesio in the Philippines

## News From Liberia

### Aaron Whisnant-

I bring you, and our sponsors greetings from Liberia in the name of Jesus Christ our Savior. I bless God for health that He made possible during September, and the support provided for us as preachers of the Word.

Since September till now, we have been challenged economically; prices have increased beyond expectations with the average Liberian unable to purchase a 25kg bag of rice our staple which is now sold between 30 - 35 dollars.

The issue of rice has been politicized in our country since, and as such, have results to civil war, and many other unrest in our country. Please join us in prayer for God's intervention because we don't want our children experience what we when through.

### Prayers Requests:

This year national convention will be held in Bong County beginning on the 10th of November, 2022. Budget for feeding is 400usd.

**Land space for "Hope For Life Church Of Christ international"**  
\$2000 for one lot of Land.

This is the ministry that I have established upon my departure from Triumph Church of Christ. I will begin to send you photos and other updates upon my return from Sierra Leone.

### Steve Enoch-

We thank God for the Two days of Bible training Seminar that was held for the five Montser-rado Charity Churches. It was great by the help of God. They got the notes that I printed out for them. I pray that they will use them to teach them in their churches.

## Christmas in Haiti

Christmas will soon be here! It is once again time to make preparations! It is also that time of year to help us a little extra!

Every year since 1978 we have asked to help the children in Haiti to have a little bit of Christmas joy.

The children love to receive gifts whether it be toys, clothes, new sheets, anything that helps make their life a little easier. The smiles on the children's faces are worth every extra dollar.

We cannot personally go to Haiti again this year but we can fly in the money and gifts. Please help us put a smile on our children's faces!

## Help Needed in Cuba

Lacey & Julie will be returning to Cuba in December. They will carry in money, medicine, phones, & laptops.

We need your help. Right now the Cuban Government is allowing foreigners to bring in medicines and electronics. We do not know when they will stop this, we want to take as much as we can while we can.

The preachers need cell phones and lap tops. If you have any unlocked smartphones and good used laptops, you can send to 3518 Ridge Dr. Joplin, MO 64801 or we found some we can buy for \$150-\$300 if you would like to donate for this. Monetary donations can be sent to the PO Box.

## EK in India

### STREET PREACHING , Personal Evangelism and MEDICAL Camp

Happy to inform you that we got the privilege to do street preaching, Personal Evangelism and free Medical Camp. Many people accepted Jesus as their personal Savior and need some more time to take baptism. Please pray for them to obey in baptism soon.

Happy to inform you that one young man obeyed in the baptism just before I left India.

### HUSBAND AND WIFE OBEYED IN BAPTISM

Happy to inform you that the Lord answered our prayers and brought a couple to His Kingdom. I have spent more than a year teaching the word of God and sharing His love to this family, But they rejected and opposed us and told us not to come to their house. I have informed our people and prayer cells to pray for this family,

Two weeks back I met him in the marketplace, He came and said that his son has been sick for a while and even after being hospitalized, he didn't recover. He is not able to eat and drink and totally bedridden and not able to go to school.

He requested me to come to his house and pray for his son (He has two little sons) and the very next day I visited his house with my co-worker and prayed for his son and shared the Gospel. After a week, he called and said that his son was cured and he started going to school and he invited me to come to his house and share the Gospel again. We went and prayed and shared the Gospel and explained the plan of Salvation.

Finally they obeyed the Gospel and took baptism on Sunday 2nd October. I have changed their name as Joseph Selvam and Mary Shanthi. Please pray for them to stand fast in the faith and grow in the knowledge of God. Thank you for your prayers and partnership in our RICM ministry. .
