News From Cuba

Praise God! Rolando reports 3 baptisms at his church. They are without water again so they had to baptize in the ocean.

Lacey & Julie will be returning to Cuba in the next couple of months. They will carry in money, medicine, phones, & lap-tops.

We need your help. Right now the Cuban Government is allowing foreigners to bring in medicines and electronics. We do not know when they will stop this, we want to take as much as we can while we can.

The preachers need cell phones and lap tops. If you have any unlocked smartphones and good used laptops, you can send to 3518 Ridge

Dr. Joplin, MO 64801 or we found some we can buy for \$150-\$300 if you would like to donate for this. Monetary donations can be sent to the PO Box.

News From Haiti

I'm so sad to give you the news that the situation in Haiti has amped up even more. They are right at the line of complete anarchy. No other countries want to step in and help this time. The gangs have shut down markets, so food is hard to find and drinking water is very, very hard to find. Gas is now only sold in small glass bottles on the side of the road at \$30US+ a gallon. My heart breaks daily after reading message after message begging for help that they know we can't provide. We have brothers and sisters and children starving right now all because of greed and power. Please pray for them. Please pray for the gang leaders to have a change of heart.

Jean Ronel Joseph-

Pray that you enjoyed your worship service this morning. We enjoyed ours and it was good. We worshipped with about 85 brothers and sisters and 40 of them partake in the Lord's Supper and the message was in Matthew 25:1-13, Act wisely because you don't know the hour! Negligence is not good as we could in that parable, those that were foolish regretted it, but those that were wise enjoyed it. People came to church and worshipped the Lord despite of what Haiti is facing at this moment.

About MH

We are doing well. We had a good week, but it was stressful at some point as it was difficult to find food for the kids. But thanks to God, the protesters took a little break, we could find some stuff. But they already announced that, this week will be even tougher. Please continue to pray for us. I am sure you guys remember the story of Lorie and Diana, so unfortunately yesterday they killed Diana's dad and burned him, they accused him of being an evil doer. So we don't tell Diana that, things are that hard here. Self revenge is really present here. So lot of stress to deal with.

David's House in India

REPORT FOR THE MONTH OF SEPTEMBER, 2022 OF INDIA MINISTRY, DAVID'S HOUSE

Greetings to you in Jesus name.

By God's grace we are doing well here and hope the same with you.

We are so thankful to God for His manifold blessings in God's ministries.

PRAISE POINTS:-

By the grace of God all our orphanage boys are in good health. Also they are studying well in their classes. God has been providing their needs. The orphanage, children centers in the villages, Bible school, widow ministry, girl's ministry and Sundays school are going well. We are thankful to White Fields for their prayer and regular support. We thank all the donors for their sacrificial support towards our ministry.

Ministry Report:-

Orphanage (DAVID'S HOUSE):-

Currently 24 poor and orphan boys are there in our orphanage. God has been providing their daily food through your support. The boys are preparing their school lesson for their upcoming annual examination which will be held in the month of March 2023. God provided their school supplies for this year.

Orphanage needs- Orphanage boys need some extra rooms for their dormitory use, study room, library, dinning and a prayer hall. By faith we have started to build on the second floor contain with these required rooms four years before, but we are not able to finish it due to the lack of the funds. \$75,000 is needed to finish the remaining construction work. Already \$ 500 has come in, but we have a long way to go.

The boys are in need to study some of their subjects through online, but they don't have tablets to do this. Also they do not have chairs and tables. They are sitting on the floor while studying. They study long time by sitting on the floor and some of the boy get waist pain. They do not feel comfortable. They are in need of tablets and chairs and tables. Once if they get tablets and chairs and tables, it would be great help and use for them. Per boy 1 tablet, 1 chair and 1 table are required which cost will be about \$800. These things are the greatest need with them.

Church planting: - By God's grace the Church planting ministry is going well. At present 8 Evangelists (former Bible College graduates 5 and present Bible college students 3) are doing ministry in different villages. They are going to their ministry villages every Sunday to conduct the prayer and worship and visit families with the Word of God. Please pray for these Pastors and their families that God may continually use them for His service and bring people from darkness to light.

Uday Receives New Motorcycle

Uday had vein surgery in his legs last summer. He then had complications. It is very difficult for him to walk a lot or to sit on the bus for hours. He requested a motorcycle so he could continue his work for the Lord.

After prayers and donations, last month we were finally able to send Uday the money to purchase his motorcycle.

News From Liberia

Steven Enoch-

Many happy greetings come to you and all our Sponsors who are the strength of the Ministries that we have here in Africa.

Due to the rains now falling heavily in Liberia and Guinea, most of the attendants dropped. But we praise the Lord that souls are still being saved which is our real concern. The lost souls must keep coming to the Lord as He never cast a soul out. Keep us in your prayers as you have done before.

Praise the Lord for Bro. Dion Jacque who got a new motor bike for his travels to Ballah, Guinea to preach the Lord of God. May the Lord bless the person that provided it for him. We are so happy as he was in the City of Ganta.

Our churches are doing their best for the Lord in the face of hardship hitting our Country. Pray for Liberia as the price of the food is expected to rise in the next few days due to the high cost on port duty on importers of rice. Some have closed down and left the Country already.

Criminals broke into the Charity Church building that is Ganta and stole all their instruments and computer of Bro. Luke who is their Coordinator for Nimba and Guinea. They need prayers.

Anna Enoch Orphanage-

We greet all of you from the Orphanage Mission in Liberia.

We thank you always for your continuous support to the Orphanage here in Liberia.

We want to inform you about the rise in the price of rice here from 13.50 to 15.50 last week and 17.00 today when I went to get some rice for the kids. You cannot find the rice in the stores. They are hidden in the warehouse and sold to you if the person knows you or he says no rice. Many people are going from store to store looking for rice not even getting one bag. Please pray for us as most of the importers are leaving the Country due to the high port charges which cannot allow them to get enough profits. Keep us in your prayers that we will keep on being here by the help of God.

Pray with us for the Medical Center Staff as we do not have salary for them yet. They are working 24 hours and the patients are too slow in coming to the facility as it is new in the Community.

Thanks again for your prayers for us.

Thanks in advance for your prayers and support to us.

Kindest regards,

Bro. Steven S. Enoch
