Needs

White Fields general fund

Haiti
Jesus Loves Me Home
$2500 for the Jesus Loves Me Home Children to start school in September.
Mark's House
Ronel wants to start a garden. Seeds in Haiti are very expensive and limited. We plan to take a large quantity and variety to them on our next trip. If you would like to provide seeds or money for us to buy them, Ronel would appreciate your gift.

Suman Singh in India
1. Orphan children's feeding .....600 USD

7. Old school van need ....
8. Preachers support need 10 preacher.....300 USD
9. New Churches plants need .....
10. prayer need ..... no cost

Steven Enoch
Please pray with us continually for our churches need of land, metal sheets and motor bikes. When it comes to the labor, we can do the work find means to pay for it, the materials are most important to us here. Those who have land have made their clay blocks while some are making theirs. The heart is there to serve the Lord, but the means is not just there. Please pray for us.

Immersions in 2018

We praise God that during this year 2018 there have been 2534 souls who have accepted Jesus as Savior and Lord and obeyed Him in Christian baptism. It is a great thrill to report to you that these native evangelists have written to us that during January—June. They along with our American Evangelists have baptized 2534 souls. Thank the Lord!!!

Ester Martini In The Philippines

It is a week since I arrived back from Philippines ,where for two months I was serving the Lord there with Sister Cheery and Brother Rey and I can tell you that we had a time of rejoicing in the Lord. We had Easter service at Calituban Island, and the service was held at sunrise on the beach and the week after we had Family and Youth Camp. The church at Calituban is growing and in the family camp 3 new souls received the Lord in their lives were baptized.

With love offerings that brethren in Argentina gave me to take to Philippines, we bought an 8 Horse Power engine for the Pan-boat that is to be used in the ministry and three life-jackets and tolos that were needed in the maintenance of the church building.

Also we went to Olangoo Island, where Bro.Rey and Sis. Cheery were once before, and the house of a family was open for us to preach the Word, and 3 of that family open their hearts to the Lord and obeyed the Lord in baptism. For that new church in Olangoo we bought Bibles and communion cups, because all the ones I took from Argentina were given to other churches, we also bought materials for Sunday School, please pray that Bro.Rey and Sister Cheery will get the help to carry on that work there too.

Also I visited churches at Surigao del Norte and San Benito church at Siargao, where Bro. Reyjemar is the minister.

Ester Martini In The Philippines

At Camp 3 with Bro. Randy and Sister Sheryl (Sheryl is the daughter of late Bro. Roger and Sister Nick Celis) we had Bible Vacation School and the Lord blessed us ,again with 3 more souls that said yes to the Lord and they were also baptized.

Every Wednesday that I was at Cebu, we went to the prayer service at Talisay Church, and many Sundays afternoon I went to Metro Cebu church with Rey and Cheery,

The Lord also gave me the opportunity to sing at Talibon Church anniversary.

I had the wonderful blessing to spent some time with Sister Yola and Bro. Larry and also I visited as much as I can my very dearly beloved Sister Nick Celis who now is confined to bed after an stroke.

My heart is joyful and grateful to the Lord for this new opportunity that He gave me to serve Him, and also for so much love that I received from my sisters and brothers of Philippines, and also so thankful for all of you who prayed for me as I was away from my family. PHILIPPIANS 4:4

From Cheery

To God be the glory for the successful medical clinic in Olango. We have 5 souls baptized in Olango. We have a house church to worship. We pray that someday we can buy a lot for the church to worship in, please include us in your prayers.

India

Udaya Kumar

I am so happy to share my Ministry report to you. Here we are all fine by the Grace of Almighty Jesus Christ through your prayers.

During this summer we the preachers and co-workers conducted Vocational Bible Classes and we taught bible classes around 200 children and distributed VBS material.

In April and May month we the preachers and co-workers covered 32 village meetings and we saved 23 souls and they baptized in Jesus name. We distributed Holy Bibles to them. I am requesting you please pray for them

I am so happy to share the happiest occasion On May 27th Late Brother Jaya Kumar's daughter (Janitha Jospiene) engagement was done with Prem Kumar at Sri Kalahasti Church. We the family members Dhanamma, Thabitha, Sujatha, Chinni, Martin, Naveen, Pretham, Noa Nihar, Thomas Richardson and Mahima Sharon are all fine. I am requesting you please pray for their marriage and send your valuable help for them. And please pray for our family members.

Now we have 7 GLA Orphanage children. During the summer vocations now they went their relative houses. On June 14th schools will reopen. Our GLA orphanage children Rajyalakshmi got 9.2 grade marks in 10th standard.

Our beloved preacher Poul Raj passed away in May month in terrific conditions. From the past 2 years his health condition became poorer day by day due to the kidney failure. Hindu people created problems around him to stop doing gospel and ministry, they hit on his face and body with broom sticks and finally he got on massive heart stroke and died on street road. Nobody helped him after 2-3 hours our preachers went there and they did all ceremony activities. I am requesting you brother please pray for his wife and children. If any possibilities please help them through White Fields ministry.

Please pray for our preacher Luke kumar, Baburao and David Paul and myself needed motor cycle for gospel work.

We organized one open air meeting during night on 26th May, 2018. Nearly 150 people have attended and listen the word of God. I am requesting you please pray for them.

India

EK

Thank you for your prayers for personal evangelism with our VBS. We went as a team and met them and shared the Gospel with them . We brought them at one place and taught them and explained them the love of God and purpose of baptism, what is the benefit of Baptism and what will happen when you take baptism , how to live and lead your life after baptism etc .

More than 75 parents were gathered and heard the Gospel and only 12 were obeyed and took baptism including one VBS boy. It was a great day and enjoyed with the new souls. We would appreciate if any one come forward to support to purchase Bible. Each Bible cost $ 3 .

Please pray for this new souls and pray for the preachers support to preach them . Once again we thank you for your prayers,support and love in our ministry . If at all we do this ministry and bringing many souls in to Christ , because of your prayers and support. With out you and Gods grace and mercy we would have not done.

I am extremely happy to inform you that 3 more VBS children and one parent obeyed in the baptism. Total 5 souls obeyed the Gospel and took baptism .It makes us very happy and joy to day .

Please pray , we are expecting more souls to come to Christ . It all happened because of this year VBS. Please pray for the new souls and pray for purchase bibles . EK and Joys

White Fields Orphanage Ministries

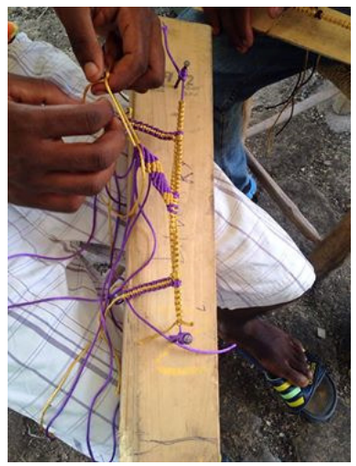
It is summer vacation in Haiti. We have heard it is hot, hot, hot this summer. What are the kids doing to stay busy and cool?

Jesus Loves Me Home
The kids at JLMH did well in school.

They found a small pool at the market, they take turns cooling down. The little ones are growing up way too fast.

Lacey goes to Haiti on July 3. This will be her first solo trip. I'm nervous, she's excited. She will be working at the Jesus Loves Me Home. She will be gone two weeks. Please pray for her! Look forward to her report next month.

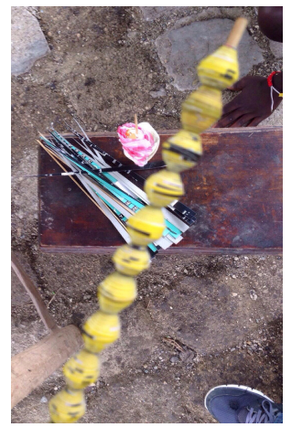
Mark's House
The boys at Mark's House did extremely well in school.



Ronel wants to keep the boys busy and constantly learning. He wants them to learn trades and ways to have jobs when they are older.

One project is FARMING. We are sending seeds for him. He has also had friends come out and teach him and the boys how to take care of plants, trees, and the ground.

The other projects is crafts. Someone has come to teach the boys how to make bracelets, sandals and other things. Ronel intends for the boys to sell these items and they can have an allowance. He wants to also teach the boys finances and budgets.



White Fields Orphanage Ministries

Christian Academy
Jean St Juste started a school after the earthquake. It has kindergarten to high school. We target the must vulnerable children in the community. We can't really meet our needs but we do our best. This is going to be our third year since we open. We are hoping to be able to provide school for up to 200 children this year but it is a long shot, since we still owe the teachers some four months pay on this school year that just ended

The field trip was to a zoo in a town call "fort jack" we went on may 18 at the occasion of Haiti independence day. Its about two hours away from the school. It went well the children love it, they get to see animals that we don't have in Haiti. We visited a duplicate of the Ark of Noah and a museum. It was a big thing for those children who couldn't even go to school but now are enjoying the same thing all other children in any private school get to enjoy .

Anna Enoch Orphanage
We thank all of you for the monthly support that you give to us every month for our kids and our preachers in Liberia and Guinea. We are grateful and will always remain grateful to you all for your kind hearts for us and our suffering kids. The Lord will always be your helper in time of need. God bless you all in The name of Jesus.

Emmanuel Myers graduated from Monrovia Vocational Training Center last month where he learned electricity. Praise the Lord for him.

Hannah and Samuel will be ending their first year in the Science College two weeks from now. They will opening in September. Keep them in your prayers.
The boys dorm is still in progress. We have completed the floors and the ceiling. We are beginning the plastering now. I am attaching some pictures of the work. I am fixing the last door frame while the boys lay the floors. I have laid for two doors while there are yet two plywood doors and two in panel doors. Pray for us to complete it for some of the boys to move in it soon.

We thank you again for all your prayers and support to us. God bless you in Jesus name.

White Fields Orphanage Ministries

Hope for Bulgaria
Editor's note: Please be in prayer for Georgi & Elena. On June 1, the city government held true to their word and fired Georgi. Georgi is very distraught. There are no jobs to be found in their area. They need peace and love right now.

Next week is the last for me working at school, they will have summer vacation. I will miss these children so much. The director and teachers are very pleased from my work. They saw so many good changes in children. I'm praying our partnership will continue next year too. The school board said that for first time they saw all children to listen me and have big respect. Most teachers give up and allow everything just to pass the day.

At church we prepare summer camp for children on the Black Sea, Georgi and I have to drive them - this is also good opportunity to change and meet new people, get some positive air. We have new children in church and for first time they will go on Christian camp. We are so happy.

We pray God to speak and show what way to go. I don't want to be as most family are here because of no work one of them going in abroad to work. Looking for miracle.

St Thomas Orphanage, Suman Singh
Today school re-opened all over India. Please pray for the children. E are happy that the children passed the first class. Thank you for your help. We are in need of bookbags, notebooks, and beds, please pray for these things for us. We all are praying for you and your family and your white fields international evangelism.

Also, our preachers in the Hill area preaching are in a complete Tribal area they are very poor and they don't know real God. We preach this area. They need bibles. They worship stone Gods and monkey Gods. We preach teach Jesus is real God.
