Review of 2019

2019 was a great year for the ministry of White Fields. God provided many blessings for the ministry and all of co-workers. We are so thankful. So many projects were completed, revivals held, Bibles handed out, and souls baptized into Christ. I asked our co-workers to send me year end reports so I could report to you. In turn, they were blessed by writing these reports. They realized how much God has blessed them throughout the year. We pray you will be blessed too. GOD IS GOOD!

Francius Joseph, Raboteau, Haiti-
The Christian Church in Raboteau averaged attendance for 2019 was 105 and they baptized 4 people into Christ. We were able to have a revival this past year. We also were able to distribute food and clothing to the poor. We are able to once again go and feed the prisoners. We had a time of celebration as some of our children moved in Sunday School and we gave each of them Bibles. Because you gave generously, we helped all of our church members with food and money during this very difficult time in Haiti.

Descar Auzeel, St Marc, Haiti-

May peace and the grace of God be given to you, we thank God for his infinite grace, we thank you for the many efforts to have devoted your time to put at the service of others and we thank our sponsors very much who are always faithful in their promise. May God not stop blessing you.

I share this verse with you: 1 Corinthians 15:58. So, my beloved brothers, be firm, steadfast, working better and better in the work of the Lord, knowing that your work will not be in vain in the Lord.

During this year God allows us to achieve many things.

1) People who come to repentance through our preaching in the streets and in the peripheral areas are around 60 people.

2) May 19 to 24, 2019, We had a week of conference around the theme: "the rapture of the Church"

3) July 21 to 28, 2019, We had a week of fasting in the morning and in the evening we preach in Ephesians 4 (spiritual weapons).

4) August 16 to 18, 2019, Mission to Roseau, where nearly 31 people accept Jesus Christ as their Savior. Months of October and November Haiti knows a chaotic situation on the political level where the opponents of power have even attacked the religious sector in Saint-Marc, close the doors of some Church and send stones to the interior of the church while the church is in full worship. Glory be to God, victory is ours. Every first Friday of the month is set aside for door-to-door and street evangelism. You will have pictures.

5) Saturday December 21 and 28 we will have the nuptial ceremony of: Brother Gustinvil Fernandes and Sister Love Ancia Alexandre / Brother Wilbert Louis and Sister Camène Larose.

6) December 22 to 29 we will have a week of awakening. And Tuesday, December 31, evening of praise and worship to thank God.

Thank you God bless you abundantly.

Merry Christmas and Happy New Year 2020

Elena, Hope For Bulgaria-

2019 is at the end, thankful for all good and bad things - God was with us all the time! Lovely!

I'm so thankful for the privilege to serve at school - this year I'm working with the boys, 35 teens. Most of them don't have parents. Hard work but I see how God is working and changing their life. Its hard to be mama and daddy to 35 boys but God give us strength.

I'm so thankful for my study trip to Italy. I visited few camps with refugees, under the mafia control - people without identity, future, hope. We served with food and talk - to bring hope where in no hope.

Helping in my church, spending time with so depressed and lost people , share the Gosple.

So thankful for first time this summer I have privilege to talk so long and deep with Georgy's son about God. Before he reject all, but now his heart is more and more open.

Just thankfull!

PRAISE THE LORD

I am so happy to share 2019 yearly report to you. We the preachers and Co-workers are really worked hard in villages and won many souls in Jesus name. In 2019 entire year we covered nearly 600 villages and more than 3000 houses we visited and prayed for them. In this year we won total 185 souls and we baptized them, after that we gifted Holy Bibles for them. Especially one leprosy man accepted Jesus Christ and took Baptism. That's a great thing, now he is doing preaching, singing and winning many souls. God gave him a wonderful voice and praising Lord Jesus through his hymns. Now he is composing songs and doing village ministry and telling his personal testimony and inspiring the people. I am requesting you please pray for him. In this year two paralyzed person accepted Jesus as their personal Lord and Savior. They also gave their testimony in front of their villages and many people got saved by their wonderful testimony. Their family members also saved and baptized. They removed all the symbols from their foreheads and throw the idols from their houses and hold the Bibles in their hands. I felt so happy to share this good news to you all. Our God is so good and healed many people those who trust on Him. He is choosing the people and I am also one of the people in it. I am requesting you please pray for these souls and for their spiritual growth. I want to multiply these souls in coming year. Please pray for me. I want to construct new Church buildings and also I want to reconstruct 5 old Church buildings. I needed your support and please pray for us.

We the preachers are doing very hard work in villages. Many Hindu leaders are threatening us and not allowing into their villages. Some villages they are fixing posters/boards by starting point of their villages containing that "This village is purely for Hindus only. We don't need any Gospel and it is prohibited for other religious people in this village". If anybody enter and spoke one word about Jesus Christ they are beating very brutally. Actually young boys have appointed particularly for this purpose only. That's way we are very carefully while going to the villages. That's why we are going and preaching only selected villages. I am requesting you please pray for us.

Dear sister I want to follow-up the new souls because the Hindu people deviating by giving money, provisions and some other benefits to convert Christianity to Hinduism. It is a big task so that we need regular follow-up for them. We do not have proper transport facilities to visit all the villages. We needed 5 motor bikes (for the Preachers) and one Car for ministry purpose. I am requesting you please kindly pray for us and provide necessary support for us.

Dear sister we needed a Laptop and a camera for Ministry purpose. I am requesting you please kindly provide for my Ministry.

I am so thankful to each and everyone those who are sending their valuable support for my Ministry. I am so thankful for them. We the preachers and co-workers and my family members are praying every day. I am also thankful to you sister for your kind and generous heart. God Bless You.

Seth Effa, Ghana-
Greetings to you all in the mighty name of Jesus Christ. We thank you for always remembering us in your prayers. We continue to ask for the protection of God for you so you can always continue with these good works. We are at the end of the year 2019 and I cannot contain my joy. So many occurrence within the year but once again the Lord has been faithful to us.

I would firstly like to express our utmost gratitude to you all, for the love you showed us through the financial support you gave us and your prayers aswell. With this, Konongo Branch church building project is almost done.

Throughout the year, we have been able to organize at least 4 district revivals which bring all the Asante Akyem Christian churches together to pray and fast for the church of Christ and the world as a whole.

There have been other series of programs too. We were able to go for crusades of which we won four souls for Christ. In April, Christian church, Ghana went for a 3-day National convention in the Eastern Region of which the outturned was very encouraging. This convention was to commemorate the death and resurrection of our dear Lord Jesus Christ.

Other special programs like the 14th Feb.(Val's day evening service) were organized for the youth. The idea behind this was to keep the youth in the Lords house whilst others enjoy themselves in bars, pubs, clubs etc. on Val's day. We also had our yearly youth and children service day celebration and the church still meet twice for mid-week services (Tuesdays and Fridays).

From January to November, Christian church, Asante Akyem branch had had a total of 36 new converts. By the Grace of God we have been able to keep them all in the Vineyard through frequent visitations, sharing the word, prayers. The only sad aspect is that, some of these new converts later move (travel/school/work) to different places. But we keep in contact to make sure they are still holding unto their faith and they also visit us once in a while.

Church attendance at each branch has been very encouraging and this always give us the joy and strength to continue with the work of our Lord Jesus. We thank God for that.

This year has brought us both pleasant and unpleasant experiences. There have been weddings, naming ceremonies, deaths and other occurrences but as Christians, "we count it all joy" when we go through all these.

We are very grateful to God for the year 2019

Greetings to everyone and keep on the fire burning. We also do remember you in our prayers a lot. May God keep us all and help us work tirelessly and diligently in his vineyard till we meet again in his bosom in Jesus name. Amen.

I give praise to God almighty for His sustaining grace upon our lives and for bringing us through one of the most economically challenging year in the history of our nation.

<u>2019 – Church activities summary</u>
The year 2019 can be best describe as one of the most difficult/challenging year ever, this is due to the fast and terrible deteriorating economic down turn prevailing in our country which in turn have negatively affected every sector in our country the church been no exception, given the high unemployment rate in our country {98%} of our membership are unemployed, many school going kids are out of schools due to the high cost of living and the high prices of commodities including food and daily essentials making life extremely difficult for parents to put food on the table nowadays in Liberia.
Our church {due to very low financial income} was unable to conduct any of our regular outdoor communities' soul winning revivals/outreach activities; also we haven't been able to resume our regular children ministry activities.
However our regular indoor activities were current and remain constant {although there have been low attendant in some of the services} our church doors by the grace of God have been open throughout and there have been regular:

Sunday school sections, Sunday worship services, Communion services, Wednesday mid-week evening services, and Friday's regular prayer meetings;
In addition the church hosted three {3} separate indoor revival services in this year {Jan 30 – Feb 1, 2019} {April 24 – 26, 2019} {Aug 28 -30, 2019} two adult {a male and female} accepted Christ and were baptized, there were two babies dedication and three marriages in all during the year 2019, also I am very happy to report that by the grace of God there were no death in our membership, Praise and Glory be to God who has preserved us so that we are counted among the numbers of the living- Amen.
