Rey & Cheery are Busy in the Philippines

Rey & Cheery are in the full swing of summer activities. They held their second Mini Camp at Talima. They brought the Calituban youth over, a 2 hour boat ride, to participate in this camp. The theme was Knowing Jesus. Thank God they had perfect weather.

Now they are planning for VBS at both churches. Talima: July 25-31 and Calitiban: August 2-8. This is the first VBS in 3 years because of covid. Pray that they go well and many young people are reached for Jesus.

Rey & Cheery are also working with the Talima church to clear their land and organize fundraisers and look for money to finish purchasing the land.

PRAISE THE LORD

"And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm." - Mark 4:39

"Everybody in this life has their challenges and difficulties. That is part of our mortal test. The reason for some of these trials cannot be readily understood except on the basis of faith and hope because there is often a larger purpose which we do not always understand. We are thankful to the Lord for his blessings upon you all through which we are being blessed today. We continue to pray for you all to be there for us by help of the Lord.

We are now in the rainy season and this can be disturbing as many people do not have umbrella. Some stay home when it begins to rain. We are thankful to the Lord for the ones that did their best to come for service.

The beginning of June was a good time with all of our Preachers in Ganta City, Nimba County where we had a time of Bible training for them. It was very good to teach for four days. They didn't want for us to stop, but thank God we helped them to learn many things and also refreshed them in the Lord.

The Church that is in Nengbeh has found a lot of land to buy for $500.00. Please join us in prayers. Please do not forget the requests for the churches that have their buildings without roofing sheets. The two churches that are in Guinea, Zuapa and Ghaapa.

We are grateful to God for you all who are helping us to educate our children who are at the Orphanage. Hannah Nelson and Samuel Cord have graduated from the Medical College with BSC in Medical Science. They have begun to work in the Arthington Medical Center.

The Arthington Medical Center has began to operate her ground floors. It was through your prayers and support that this Center project was completed. God bless you all in a special way.

The Reggie Thomas Christian Academy is facing problems with the payment of Teachers. The Community people who send their children in the school, helps us to get chalk, sheets for the printing of tests, have began to slow down payment of their kids registration with the very little fees that we charge them. This is pressing the school against the walls for the additional funds to complete the pay for the Teachers. Please pray with us.

Books Needed

Now that we can travel again, we want to renew this project.

We are in need of books for our preachers and churches in Cuba, Haiti, St. Martin, and France. We want for them to learn and grow more in Christ. Some of these books will help the preachers in teaching more on doctrine to the members of their churches. Some of the books are for children to help them learn more about Jesus They are so hungry to learn more and more. If you, a Sunday School class, children's church or school, youth group, bible Study group, etc... can help with one or more books then that would be such a blessing.

We will work with LATM to purchase these books. We also work in the same building with them so we have easy access to these books.
