Greetings to you in the name of our Lord Jesus Christ.

Last week I visited agency area for Gospel meeting, it is very far distance from my area. My brother Raju and I went by a motorcycle some distance and the remaining distance was walking for about 5 miles with some wild animals that move in the area at night time. We were not in fear because we had Bibles in our hands. In that place one of our village preachers, Bro Abraham, does the Lord's works. He invited me to preach the Word of God. That day my sermon was about "Love of God Forever". After the message, I distributed Bibles because they did not have any Bibles for the church members. These Bibles I buy with your support money. They were very happy. I do this great work with your support only. Many Bibles are needed and I am so happy to work with White Fields Overseas Evangelism. Thank you so much.

I am happy to inform to you that our co-preacher Bro. Samuel gave baptism to a Hindu man. That is good news for everyone! I am so happy for any baptized new born people, especially when they are coming from Hindu family. They go every week to Hindu temples and worship stone gods and give coconuts to the stone gods. After they listen to the Word of God, they change their minds and know the real God is through Jesus Christ. They know that is the wonderful news. The greatest issue is that they have to remove the Hindu gods in their hearts. Now they worship Jesus Christ as their personal Savior. I went to that place two weeks ago as a speaker. My sermon was "Savior only Jesus Christ". At that time the baptized person came to the church with his Christian friend. Our co- Preacher told me that my sermon two weeks ago touched and changed his mind and he was immersed in baptism into Christ. Praise God! He gave me the Words to say.

News from Ghana

Dear Saints,
To God be the glory, great things He has done and will do…October was my birthday month.

Greetings from all Christian Churches in the Asante Akyem District.
October was fully packed with activities. Pastor Prince, our new vibrant pastor with the help of Pastor Seth and his wife Sis Mercy, led the church through a 21-day power packed fasting and prayers. It is the first time of its kind and participation was massive. We met every evening to break our fast. We started on the 3rd of October, and ended on 23rd October. We still had our normal Sunday church activities, Tuesday prayers and Friday evening service.

The Konongo branch had it's harvest just this Sunday and the other branches will also have theirs in subsequent weeks.

Visitation of the branches are still ongoing. They have assigned every Wednesday and Friday in addition to the occasional Sunday visits. Members are patronizing these new meeting arrangements and we pray to God for its sustainability.

The youth are also on their preparation for the December carol service.
We had two children dedications.

The rains are still not showing any signs of lessening, regardless, we are still going about our normal activities.

News From Liberia

We thank the Lord for all His protection in the face of trials and tribulations hindering the world. We have been doing our best again for the Lord in the various towns and villages in and out of Liberia.

With the help of the Lord 72 souls were won to Him in many of the churches. There was a small Crusade held outside the Orphanage where I showed some videos of the Judgment Day in which 10 people were baptized and added to the church. Please pray for us to be able to go out in the dry seasons for Crusade. The Bus has a good engine but the frame and the front arms have serious problems. Please join us in prayer this time to be able to get some financial help to go out for the Lord in the interior with the gospel of our Lord.

Our churches that are in Guinea in Ghaapa and Zuapa do not have roof yet due to the lack of funds.

Please pray with as we plan to host the Charity Churches in January to March 2023 by the help of the Lord. Crusade trips have found no sponsor yet since we started to go out for the Lord in the interior parts of Liberia and Guinea. Please help us reach as many people as the Lord's coming is drawing down. Transportation, food and instruments for the Crusade Team and members. Some of the Crusade Team members must leave their businesses and jobs to go for a week or two leaving their families behind. They need some help to make them happy to go out with us.

Also join us to pray for the 8th Annual Convention for the Charity Churches of Christ International beginning on December 6th to the 11th, Tuesday to Sunday. There will be Bible teachings and preaching for six days, three times a day. All the 32 Churches will be gathered in Logan Town for six days of Bible teachings.

Please remember to pray for the Preachers who have not gained sponsorship yet to be able to get some help as they are on the field for the Lord. Their children need to go to school to prepare for their future.

Thanks again so much for your prayers and support to us. Keep your prayer for us who are on the fields that are ripe already. God bless you all and have a God bless day.

We greet you all from Anna M. Enoch Orphanage Mission in Upper Caldwell, Montserrado County, Liberia.

We thank you for your prayers for us here in Liberia. Without it we would not be able to go through a day in the face of high cost of living in our Country. It has been hard for the price to come down to what it was.

Our School, Reggie Thomas Christian Academy got the victory over many schools in Soccer, Kick-ball and Quizzing. We have a strong team this year. All the players are on scholarship. They only pay a little fees for registration.

In the month of October, we the preachers visited 46 families in 12 villages. I am planning to conduct Gospel work in these new areas.

I have 10 churches that were damaged very badly due to the heavy rains and floods. I am requesting you please pray for our church buildings to be repaired. In coming Christmas Eve, I am planning to repair those church buildings and to paint it. I am requesting you please pray for our needs.

I need to purchase Holy Bibles.

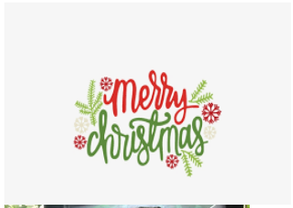
In the month of December I am going to give new clothes and gifts to the preachers and poor church members/widows. I am requesting you please pray for our needs.

I am so thankful to those who are praying for my ministry, I am so thankful to the sponsors for their kind and generous hearts. We are all praying for you.

T John Samuel

Greetings from the family of T. John Samuel and Seed's Ministry in India. Today we had heavy rain in our area, but we also had a wonderful baptism service held in Kavanoor Village. Rejoice in heaven. Please pray for these new souls.

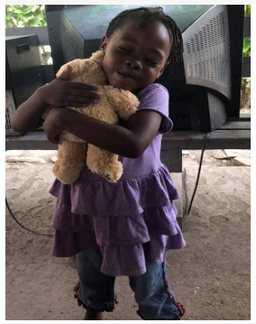
Christmas in Haiti



Christmas will soon be here! It is once again time to make preparations! It is also that time of year to help us a little extra!

Every year since 1978 we have asked to help the children in Haiti to have a little bit of Christmas joy.

The children love to receive gifts whether it be toys, clothes, new sheets, anything that helps make their life a little easier. The smiles on the children's faces are worth every extra dollar.



We cannot personally go to Haiti again this year but we can fly in the money and gifts. Please help us put a smile on our children's faces!

Christmas at David's House

Thank you so much for your continuous prayer and support for our ministry. We are remembering you in our prayers.

I would like to inform you that as Christmas is approaching, our orphanage boys are started to be excited that they will be getting the Christmas gifts and they will have the Christmas celebration at the David's House as it has been providing them and celebrating every year.

In David's House Orphanage, the boys receive one complete set of clothing per year. By the time the year is done, the clothing is old and worn out. On Christmas, the day we celebrate Jesus' birth, God has also graciously provided through the compassion of His people, clothing that replaces the old ones. We are bringing their needs (24 boys) before you again. The pants, shirts, belts and ties are $2000. The shoes and socks are $1000 and $500 for a Christmas party.

The needs of the Orphanage is our primary concern, but still we have schooling for children in three villages. If an additional $ 3000 is received, the two hundred and fifty poor children in these villages could have food and small gifts as well. Please pray that the needs will be met in due time.

In Him,
Joshua

Report for the Month of October 2022
We (our church family) are very happy to have participated in the annual convention of the New Testament Churches of Christ which was held in Gbarnga Bong county Liberia, it was indeed a wonderful experience of iron sharpening iron.

PRAYER REQUEST FOR OUR NATION AND IMPROVED LIVING CONDITION

Please continue to pray along with us for our nation and for our government especially so for God-fearing leaders, for great change and development and for the circle of corruption which is rapidly sinking/destroying our nation to be broken.

Life has become so unbearable in Liberia, we seem to be at the worst receiving end of the Global economic crises facing the world today, our daily means of livelihood are now seriously under treat than ever in the history of our nation. The monthly support and other little means of income to support our families are all becoming less sustainable in the face of our collapse economy and terrible inflation rate with no price control; honestly it is has to be the miracle of God that we are surviving each day.

PRAYER REQUEST FOR OUR CHURCH FAMILY AND CHURCH BUILDING PROJECT IN THE BREWERILLE

Again on behalf of our church family I like to thank all the helping hands that help us reach this far… We couldn't have made it this far without your support.

As things stands we are again asking for prayers and at the same time soliciting financial assistance to enable us install the doors, windows, ceiling, and floor as well as construct the latrine facilities. (these are very essentials because without the doors and windows in place nothing in the building is secure, criminals can easily break in even using the roof to steal away church properties. As for the need for a latrine facility, it is very much obvious for it is unthinkable to begin congregating in the absent of a latrine facility.

Aaron Whisnant
This year convention was challenging with lots of obstacles in the way almost everyone who's concerned, but glory be to God that the devil was made shamed.

Our churches had 6 baptisms this past month.

Prayers Requests:
Please remember all our nation in prayers because since the shortage of rice, things are getting harder by the day.

Land space for "Hope For Life Church Of Christ international" is $2000 for one lot of Land. This is the ministry that I have established upon my departure from Triumph church of Christ. Someone is willing to sell their one lot of land to the church.
